NAS Tennis – U16 National Tennis Championships 2019

Team NAS had a strong presence at the finals with us having four teams of four players entered. All teams played well and were close to making it through to the group stages. NAS 1 were the only team to make it through and faced GEMS modern

in the quarter finals. It was very close and NAS just edged it to play GEMS WSO in the semifinals. We faced a very good team and couldn't quite win enough points to progress to the finals but still had another match to finish for 3rd or 4th against WIS. NAS were tired now but still never gave up. We couldn't do quite enough and lost. 4th out of 18 teams was a very impressive result.

Well done team NAS.

U12 Girls Basketball v Repton School @ NAS Dubai

The girls started off well and took an early 8-4 lead, but somehow lost our player to player marking in the second quarter and found ourselves behind. Once we sorted our defence out we totally dominated the game with some excellent individual skill from Amanda Fotiadis, Nina Susic and Rachel Van Herk. An excellent all-round performance.

Player of the Match selected by Repton: Amanda Fotiadis

Final Score: NAS 32-14 Repton

U13A Rounders v's DESC C @ Dubai English Speaking College

Well done to the U13A Rounders team who played their first game of season against DESC on Sunday. The girls played fantastic whilst fielding managing to get the other team out in their 2nd innings and our batting got better in our 2nd innings. Well done girls!

Miss Fisher (PE Teacher)

U13 Boys Cricket v Kings' School Al Barsha @ Kings' School

Good performance on a tough windy day for the under 13 cricket team against Kings' School Al Barsha. Sadly, they did not win but produced some quality fielding with few catches made and excellent batting. Notable performances from Hady and Finn. Well done.

Final Score: Kings Al Barsha 140-8 to NAS Dubai 58-4
