RE: NURSERY AQUARIUM VISIT

Dear Parents/Guardians,

As part of our themed learning topic on 'Under the Sea', the Nursery children will be going on an exciting educational visit to Chang Feng Park Aquarium on Wednesday 28 May 2014. The children will visit different areas of the aquarium in small groups, looking and learning about all the fish and sea creatures and recording what they see. The children will be closely supervised at all times by BISS staff to ensure safety and enjoyment.

We will be travelling by school bus, leaving school at 9:00am and returning by 2:20pm for a normal end of day. Children who have school lunch will be provided with a packed lunch on this day.

We will of course need volunteers to accompany us. If you would like to join us please contact your room parent directly and then we will confirm which parents can support this trip as we can only take four parents per class.

In order that your child can attend this educational visit, please complete the permission slip below and return it to your child's class teacher by Thursday 22 May.

Kind regards,

The Nursery Team
