

Head of Campus update

Dear Parents,

I'm sure you will agree that our Security Guards do a fantastic job or assisting with traffic and maintaining security on the campus. Last month, one of our guards, Moses, was awarded the Guard of the Month from ISC Security Company. Congratulations on this official recognition of a job well done!

Music is very much on the calendar at the moment at Rayyan. A few weeks ago, Year 4 visited the Qatar Philharmonic Orchestra at Katara to listen to music by Benjamin Britten. All classes have been learning pieces for our music assembly on Thursday 10th December and we are looking forward to that. I hope that you will be able to join us.

The Friends of Compass School (FCS) meeting will now take place on Sunday 3rd December at

1.30pm. I hope that you will make the time to come along to offer your ideas and suggestions to make Rayyan more welcoming for parents and fun for children. A crèche will be provided.

Next week we have the author Alan Gibbons at Rayyan on Wednesday and Thursday. You should have already received information about it from Joanna Gilbert, our English Coordinator, and class teachers. Alan will be signing books after school on both days so please come along to meet him and buy your signed copy of his book.

Admissions news: We close sibling priority applications on Sunday 6th December. Please contact the Admissions Office or the website for the priority application form.

Next week in school we are focusing on our new school motto – Be Ambitious! We are finding out about ambitious people, thinking about our own ambitions and writing stories and

poems. This is part of the NAE Global Campus focus which we will be developing throughout the year.

Please note that Thursday 10th is the last day of ECA's. The following week, we have Parent Teacher consultations on the 13th from 2.00-6.00pm. You should receive a letter today to sign up for an appointment. If you cannot manage at that time, please make an alternative arrangement with the class teacher.

Next week we also have a music assembly where children in years 1-6 will perform an entertaining piece for you.

EY2 have an exciting trip to the Intercontinental beach next week as the exit point for their IPC unit. Our EAL learners also have the Cambridge exam so we wish them every success with this new test.
