Please let me know if your child wishes to get the bus from either BSB Sanlitun or Wangjing.

Due to the number of students attending the trip, I am afraid that no parents will be able to drop off or pick up their child from the airport. Your son or daughter will only be able to be collected from one of the drop off points above.

Daily Updates:

During the course of the week, daily updates will be given on both the school website and the school Facebook page in order to keep you updated on your child and the activities they are taking part in during the course of the day.

Information evening:

We would like to invite all parents to an information evening regarding the residential trip on Tuesday 11th October starting at 6pm. A member of staff from Insight Adventures will be available to answer any questions you may have about the upcoming trip, as well as myself and Mr Carlisle.

Students are allowed to bring mobile phones and pieces of technology to the residential. However, I would like to stress that this is at your child's own risk and the school will not take responsibility for any losses or damages during the course of the week. If your child does bring technology, they must leave this at the hotel during the day so prevent any loss or damage.

If you have any questions, please do not hesitate to contact me.

Kind Regards,

Emma Langham
Head of Year 8
