# Filmbusters at NIS!

Dear Parents,

We had an exciting few days here at NIS with the Bowstring film crew in school at the start of the week shooting film and interviews for our school promotional video. The children were fascinated with all the equipment, especially the mobile kit that made videographer Jay look like a ghost buster.

The children loved seeing how the crew set up the spaces for the interviews and how they used the special lights and sound equipment. They also loved hearing about how the team will take hours of footage and then heavily edit it to tell the story of our school. We are all looking forward to seeing the results later in the term and seeing what footage makes the final cut. Thanks for your support with this project as we appreciate it was a little intrusive on your pick up and drop off routines and within some classes.

The children have clearly come back from their break ready to learn. Teachers have been launching new topics and units of work, and the children seem really keen to get straight into their learning. It is an important term as the children move forward and deeper in their learning, having already grown and developed so much since the start of the school year. It is also a busy term with lots of events to enrich the curriculum. Our International Day, Swimming Galas, Sports Day, Book Week and Talent Show all happen this term and we suggest that you book these dates in your calendar to make sure you don't miss out. We are excited about the busy term ahead and look forward to seeing all the children grow and mature in the weeks and months to come. Thanks for your continued support.

Best wishes,

Niki Meehan  
Principal

## JASIS STEAM DAY

All our students in Years 3-7 have had a fabulous day attending the JASIS STEAM Day (Science, Technology, Engineering, Art, Maths) being hosted at NJIS. This was a great opportunity for our children to get involved in a fabulous day of creative challenge with students from across other international schools in Jakarta and Java. The children were grouped in mixed school, age groups and set some exciting STEAM challenges which required them to learn new skills, share expertise and work collaboratively. It was a long commute through the busy Jakarta traffic but definitely worth it for a great day of exciting learning, the chance to collaborate and make new friends, and have a fun Friday.

## International Day Tuesday 19 March 2019

Five of our dedicated staff team gave up some of their holiday last week to attend a Nord Anglia Education Conference in Bangkok. Miss Niki, Miss Julia, Miss Tara, Miss Dom and Miss Louise all spend 3 days engaging with colleagues from across our family of schools in SE Asia, attending workshops and sharing best practice. This was great event to ensure our teachers keep learning, and each one of us left reinvigorated and armed with new ideas and a network of supportive colleagues to learn with and from.

## Nord Anglia Education - Professional Development Conference in Bangkok

Five of our dedicated staff team gave up some of their holiday last week to attend a Nord Anglia Education Conference in Bangkok.
