Yoga

Teaching yoga to kids is a uniquely wonderful way to guide them into a healthy lifestyle. From a young age, they should be taught how to calm the mind and become more emotionally stable. Kids go through a lot of physical exertion; yoga helps them calm down and yet builds their strength. They love learning through fun and not through routine patterns, so yoga poses need to be specifically portrayed for kids to enjoy them. Yoga also increases their flexibility and reduces anxiety and stress among kids.
