

NORD ANGLIA EDUCATION FAST FACTS

Updated as of September 2019

About Nord Anglia Education

Nord Anglia Education is the world's leading premium schools organisation, with campuses located across 27 countries in the Americas, Europe, China, Southeast Asia and the Middle East. Together, our 66 schools educate more than 64,000 students from kindergarten through to the end of secondary/ high school. We are driven by one unifying philosophy: we are ambitious for our schools, students, teachers, staff and communities, and we inspire every child who attends a Nord Anglia Education school to achieve more than they ever imagined possible.

Every parent wants the best for their child — so do we. Nord Anglia Education schools deliver high quality, transformational education and ensure excellent academic outcomes by going beyond traditional learning. Our global scale enables us to recruit and retain world-leading teachers and to offer unforgettable experiences through global and regional events, while our engaging learning environments ensure all of our students love coming to school.

Our Philosophy

We are united by our philosophy, to be ambitious for our students, our people and our family of schools. We believe that:

- There is no limit to what every student can achieve
- Creativity and challenge help us get better every day
- Learning should be personalised to each child
- Unique global opportunities enhance every student's learning experience

We believe that being part of our family gives our schools a special advantage. Working together, we can achieve more than we can individually. Our schools have access to a wide range of resources and support to enhance their success. We also create unique opportunities to benefit our students and people, such as the Global Campus, Nord Anglia University, and our collaborations with The Juilliard School, MIT, UNICEF and King's College London.
