## U14 Girls Basketball vs Greenfield Com School @ NAS Dubai

The U14 girls' basketball team have finished off their league games with a perfect record of three wins and zero losses.

They hosted Jess Ranches for their first game of the season and came away with an impressive 31-5 victory.

In their second game they travelled to Greenfield Community School and cruised to a 37-10 win.

Wednesday afternoon they hosted EIS Meadows and played a much closer game. EIS sent the game into overtime with a last second three pointer but the girls were able to secure the win in extra time and finished on top with a final score of 37-34.

## U14 Boys Basketball vs Swiss Int School @ Swiss Int School

The U14 boys' basketball team started their season at Swiss International School. After dominating for most of the game things started to fall apart in the second half and SIS came away with the victory on a last second buzzer-beater.

Looking for a bit of redemption they travelled to Jumeirah College to play JC and Deira International. The boys were able to take care of Deira in the first game but in the second game JC tied things up and sent the game into overtime. A special mention needs to go to Arda Coskun who carried the team on his shoulders and secured the win.

## U12 Girls Basketball v Kent College @ Kent College

The girls had a bad start to the match and couldn't find a rhythm to get going. This was then compounded by our captain, Nina Susic, having to leave the game due to a recurring injury. At half time we were down. We regrouped and came out a different team. Amanda Fotiadis started the comeback and Rache Van Herk controlled the defence and made some amazing shots. A real team effort made us come from behind to win. Well done team NAS

Player of the Match selected by Kent:  
Rachel Van Herk

Final Score: NAS 24-22 Kent
