## A look back at the week

## ***Our fun Sports day!***

### At home

Listen and talk about the story of Dear Zoo

[https://www.youtube.com/watch?v=j\\_MOVFPLhhU](https://www.youtube.com/watch?v=j_MOVFPLhhU)

There are lots of different versions but this song is quite fun!

## Reminders

*We have noticed that many children are bringing in unhealthy options for their snacks during the day.*

*Please remember no chocolate.*

***The school day starts at 7:10. Please do not leave the children before 7:00.***

## Next week we are learning:

- About animals through the Dear Zoo story book
- To name different animals
- To describe and create animals
- To add and subtract numbers
- To order numbers to 20
- To read tricky words: was, said
- To understand digraphs –ng, th
- To estimate number of objects
- To read simple sentences
- To write words using phonics

## **Top tip:**

We are starting our new topic next week 'Animals'. Talk to your child about different animals they see in and around their home. Look at different animals in books and on the internet. Ask your child what is their favourite wild animal? Can you find a picture of it and bring it in to share with the class?
