WEEKLY PARENT NEWSLETTER – Nursery Cubs Summer Holidays 2014

What a year we have had! The Nursery Team would like to thank the children for their enthusiasm, imagination, creativity and energy. We have had so much fun working with them to explore all our learning themes. Through reading stories together, sharing and making books, painting, drawing, collaging and model making, singing and dancing, climbing and digging, talking and listening, and so many other ways too, the children have developed and grown. It has been a delight to see and has made us all very proud of them all. Everyone of them has made progress in their learning and we know they are ready for the exciting challenges ahead. Well done Nursery children!

We would also like to thank all our wonderful Learning Assistants. They help us in so many ways, their support is invaluable. Not only do they care for the children and support their learning but they teach them Mandarin each day too. We have had a super team this year and they will miss the children as much as us next year.

Last, but by no means least, you the parents. A huge thank you for all your support throughout the year, for helping with library visits, reading with the children, sending in boxes and junk, coming on trips and special events too, International Week, Sports Day, parties and the Christmas performance. We have had such a busy year and we really do appreciate your support.

Please all have a brilliant summer holiday; good luck to everyone leaving BISS on their next adventure and we look forward to seeing all of you who return to school next year.

Thank You

The Nursery Team.
