## Section 4: Child Protection and Safeguarding (Intimate Care Policy):

At the British School of Guangzhou, we are committed to safeguarding and promoting the welfare of all children within our care. We aim to provide a safe and positive environment for children to learn in and have created a clear and detailed 'Child Protection & Safeguarding Policy' that gives guidelines on how we do this. This document can be easily accessed through the school website [www.bsg.org.cn](http://www.bsg.org.cn). It should be further noted that all staff employed at the school are trained in this area as they join the school and full police background checks are required for any staff member before they can be employed in any capacity at the school.

Noting above, we require that intimate care of children within our school is recognised and treated with sensitivity and respect by both parents and staff. As part of this, we require parents to recognise that children at different ages will need different levels of support that may require intimate care from staff at times. Within the Secondary School children will almost always be fully independent but may need support under very rare circumstances. Children within Early Years and the Primary School however, may at times need support in managing their toileting needs and/or changing of clothing and we require parents acknowledge that staff have permission to assist with this when required within the guidelines noted in our Child Safeguarding Policy. As an additional note, all children over the age Pre-Nursery (2+) must be fully toilet trained before joining the school but children of Toddler age (1-2 years old) will require staff to regularly change clothes and nappies/diapers.

By signing below, you give permission for designated staff to support your child as required within the context outlined above, noting that parents will be informed if your child has needed intimate care support regardless of age or year group (in Early Years, should your child have minor toileting incidents these will be recorded in the home-school communication book).

## Section 6: Understanding of 'Enrolment Fee' and 'Early Notice Payback'

1. I understand the school requires each family to pay an enrolment fee prior to enrolling children at the school. This enrolment fee is non-refundable. It will not be returned at any time and is non-deductible from any further charges applied to your family.
2. I understand if I cancel enrolment of my child/children prior to commencing classes at the School for any reason, the 'Enrolment Fee' will be forfeited. In addition, I must provide apposite written notice of at least 3 months prior to the first day of school for me to receive 'Early Notice Payback'.
3. I acknowledge that the school will provide an 'Early Notice Payback' reward of 10,000RMB to families that provides a formal written notice to the school's Admissions Office at least 3 months prior to the family's last day at school.

Notes:

- (a) "Last day at school" means the student's last day physically at school. It does not mean last day at (school plus holidays). It does not extend to the first day of the next term.
  - (b) "Written notice" is defined as an email sent directly to the Admissions team (admissions@bsg.org.cn) at the school clearly stating your child or children's last day at school.
  - (c) Notice of any kind given to teachers or any person at the school other than Admissions personnel can not be accepted for the purposes of 'Early Notice Payback'.
4. I understand I must be able to produce, if so required, an acknowledgment that apposite written notice of withdrawal has been provided to the school before any 'Early Notice Payback' payments can be paid.
  5. I accept 'Early Notice Payback' will not be delivered until all of my children have been withdrawn from the school (i.e. I will not expect 'Early Notice Payback' if one of my children withdraws with the appropriate notice, but I still have other children enrolled at the school).
  6. 'Early Notice Payment' is payable directly to the person who pays tuition bills for your family only assuming all outstanding fees and charges have been settled and all school resources have been returned before last day of attendance.
  7. If a third party (i.e. a company) is responsible for payment of any school charges, I accept that it is my responsibility to clearly explain the conditions above to them; and to provide them with copies of this document, the Application Form and the Admissions Booklet for reference.

## Section 8 continued...

10. Uniform - School uniform is to be worn by students in accordance with the school's uniform policy.
11. Temporary Suspension or Expulsion from the School - At the discretion of the Principal, the school reserves the right to temporarily suspend or expel a student or family for unacceptable behaviour, non-payment of tuition fees or bringing the school into disrepute. The same refund policies for absence (in case of temporary suspension) or early withdrawal (in case of expulsion) will apply. Details are highlighted in point 5 of these General Conditions.
12. Damage Liability - Parents are liable for any deliberate damage caused by their child to school property or to property belonging to teachers, employees or other pupils.
