KS2 1:1 iPADS - HOME SCHOOL AGREEMENT

At BISS Puxi we provide every child in Y5 and Y6 with an iPad Mini (16GB 2015 model) to develop and enhance their learning in school and the link in their learning between school and home.

For us to do this safely and with confidence, all parties involved (students, parents/guardians/carers and the school) must agree with all of the terms and conditions outlined below.

As a student, I agree to:

- Look after my iPad carefully at all times, bringing it to school fully charged every day.
- Make sure my iPad is kept securely in my locker, locked in the classroom charging unit or in an appropriate school bag when outside my class.
- Only take my iPad out in class or in my home - never in the playground, when walking between classes, at break time or lunchtime.
- Only use my iPad in lessons when instructed to by my teacher and shut it down and put it away when instructed by my teacher.
- Only use applications on my iPad that my teacher has agreed I can use in the lesson.
- Only use my iPad to record audio or video with the clear and explicit permission of everyone involved in the recording.
- Never access inappropriate content on my iPad.
- Not remove any stickers which identify my iPad and not allow it to be subject to graffiti.
- Immediately report any damage, loss or theft which happens in school to my class teacher.

As a parent/guardian/carer, I agree to:

- Ensure that my child cares for and respects their iPad.
- Purchase a good quality protective case and earphones.
- Set up an Apple ID and support my child in downloading apps, from the school's approved list, which are required for learning.
- Be responsible for the repair or replacement of my child's iPad should it be accidentally damaged.
- Ensure that the iPad is used solely by the child that the school has given it to.
- Ensure that the iPad is returned to the school if your child leaves the school within the six months of receiving it.
- Promote safe and appropriate use of the iPad by allowing a teacher to, while in the presence of my child, check content stored on the iPad, such as messages or photos.
- Monitor my child's use of the iPad on the internet at home, to ensure that only appropriate websites are accessed, the comments on messaging services are appropriate and that only school-approved apps are installed.

The school agrees to:

- Provide each student with an iPad and access to a range of engaging and informative e-Learning resources.
- Give students an introduction to using and caring for their iPad. This will include sessions on: security, e-safety, maintenance and health and safety.
- Provide students with a range of learning opportunities which make use of the iPad, both in school and at home.
- Provide parents/carers with on-going advice to help them support their child's use of their iPad.
- Provide a comprehensive Apple infrastructure (Air printing, Apple TV etc.) for effective use of iPads across the whole school site.
