## Starters: Reading

Read your library book out loud to an adult or sibling.

Go on the Reading Eggspress Library section and see if you can find a book relating to Migration.

Fill in your Reading Log and make reading comments about what you read.

Design a poster advertising the importance of reading to share with your class. Will it make the WAGOLL Wall?!

**Main Course** – you **MUST** do these every week:

- Reading- DEAR TIME 😊
- Spellings- Look at this week's spelling rule and do some of the work at home.
- Times Tables
- Mathletics
- Reading Eggs/ Reading Eggspress

- Everyone **must** finish the main course every week. Work must be completed by Tuesday.
- Dessert projects are optional. If you have completed it, you will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes? Time spent as a family is important and you can learn together whilst having fun.

**Dessert:** You **must** do this project.

**Your project is due on Thursday, 7<sup>th</sup> February 2019.**

Watch these videos:

1. Migration- Why do people migrate? (By Geography Online (Link: <https://www.youtube.com/watch?v=54xM8VlgP7s> )
  2. Migrations: Big Animal Trips / Science for Kids (Link: <https://www.youtube.com/watch?v=hMAS4SdPj-w> )
- Make a creative poster about one of the videos and bring it to class to share with your teacher.
  - Do a research project about a migratory animal.

## Sides: Family Fun

1. Watch an episode of The Who's Who Show on Netflix with your family.
  2. Try to do some science experiments together at home.
- Do a random act of kindness for someone.
