

THE BRITISH SCHOOL OF KUWAIT

Dear Parents

At The British School of Kuwait (BSK) our uniform and standards of personal appearance have evolved over the years to support our educational values, and to contribute to the development of community spirit and pride

Students are encouraged to show their pride in their House by wearing a BSK House flag badge.

Boys' hair may not be too long (covering the eyebrows or below the top of the shirt collar) or too short (below a *Number 3* cut). Boys may have a neatly trimmed moustache but may not have any other facial hair or noticeable stubble. Sideburns should not be unduly long or styled.

Girls who have long hair must use a hairband or tie it back so it does not cover their face.

Students may not dye their hair or use hair gel, cream, mousse or oil. Students may not wear their hair in any untidy or eccentric styles. In particular, boys' hair may not be worn in *mohawk*, *fauxhawk*, *quiff* or *rattail* styles. Lines or shapes may not be shaved into hair or eyebrows.

Neither boys nor girls may wear jewellery or any other accessories, the only exceptions being wristwatches and that girls may wear one small, plain gold or silver ear-stud in the lobe of each ear.

We hope that these points of clarification are useful to you.

Yours sincerely

Middle Phase Coordinator
