

Year 7
Arabic B

General Aim of the subject

Learning Arabic as a second language helps students to use the language to perform real life tasks, share ideas, acquire information and enhance understanding of the culture. Students are given opportunities to develop their Arabic skills listening, speaking, reading and writing.

By offering Arabic B at BIS Abu Dhabi, we aim for our students to get practical information so they can communicate in Arabic effectively in a range of situations. Students will also have a background about the Arabic culture.
