

Ten Good Reasons

for choosing
**Compass International
School Doha**

**COMPASS INTERNATIONAL SCHOOL
DOHA**

A NORD ANGLIA EDUCATION SCHOOL

1. Happy Learning

Our main concern is that your child's schooling is a happy experience. Happy children are successful and ambitious learners who will achieve their full potential.

We offer a welcoming and positive learning environment where everyone encourages each other and celebrates achievement.

2. *Excellent Curriculum*

We personalise our education to meet the individual needs and learning styles of every child. With such individualised attention we offer a progressive approach to each child's learning.

We blend the best elements of British and International curriculum to create a learning programme that develops your child's potential and hones their talents.

3. Dedicated International Teaching Staff

All of our class teachers and subject specialists are highly trained and qualified. They have been selected for their passion, expertise and commitment to teaching the young.

4. Beyond the Classroom

All year groups are given the opportunity to continue their learning outside the classroom. Visits are usually linked to the IPC Curriculum to bring the topics to life. Our Year 5 and 6 pupils enjoy residential trips. Theatre and Music trips are also organised to encourage an early appreciation of the Arts. We also plan to introduce a range of new sports themed trips including skiing and a football trip to Barcelona and Madrid, which will include stadium tours and friendly matches against local schools.

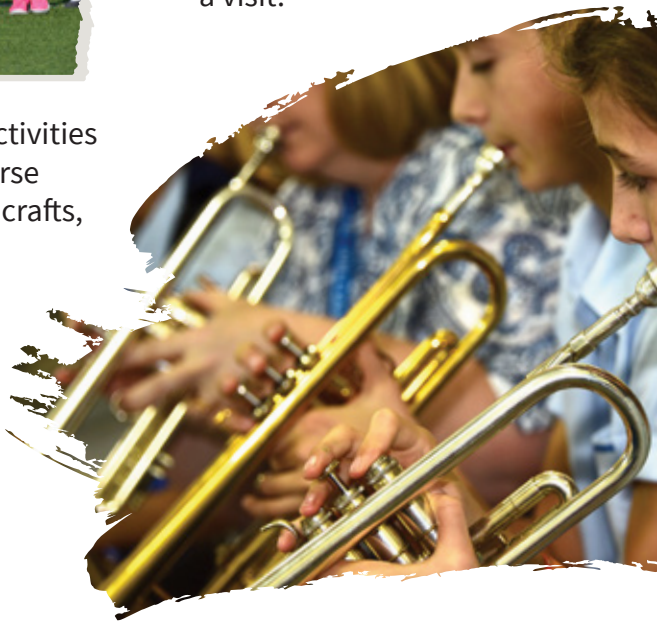

Dear Compass I.S,
"Be Ambitious"
Follow your dreams and
always work hard!
Samantha Murray

We welcome many visitors throughout the year who offer master classes in sports and other cultural activities.

Authors, sporting personalities and even our favourite story book characters often pay us a visit.

Our list of extra-curricular activities is extensive and includes horse riding, sailing, golf, arts and crafts, drama, dance and sport.

Music plays an important role and we offer all of our pupils a comprehensive peripatetic music programme with lessons available during the school day or after school.

5. Central Locations with a Family Ethos

Our campuses are located within easy reach of the city centre. Our parents are as much a part of our school as their children. Through our Friends of Compass School group, our parents are active members in our school social calendar and help to arrange regular coffee mornings and family get togethers, including movie nights under the stars.

6. *A Truly International Education*

Our school community consists of over 60 nationalities and we regularly celebrate our international identity.

7. A Nord Anglia Education School

As part of the Nord Anglia Education group of schools, we are given access to the latest developments, training and research in education. Membership also allows us to form partnerships with some of the worlds leading organisations. Initiatives such as the '**Global Campus**' offers our pupils access to an online community of our worldwide schools to learn with each other, as well as offering language and cultural exchanges and competitions.

Our school, for example has links with the Julliard School, the world leader in performing arts education who have devised a performing arts programme for our family of schools.

8. All Through Education

Compass International School Doha provides a premier education from Early Years to completion of their Year 12 & 13 IB Diploma.

9. IB World School

We offer the Year 12 & 13 International Baccalaureate Diploma, a challenging and inspiring programme valued by the world's finest universities.

10. High Performance Learning

Our school's approach to learning has been designed by renowned UK educationalist Professor Deborah Eyre, and is based on the assertion that every child can succeed, no matter where they start their journey.

Be Ambitious
