RE: VIETNAM VISA AND PACKING LIST

Dear Parent/Guardian,

As you may already know your son or daughter will need to have a Vietnam visa in order to enter the country. This year we will be completing a 'visa on arrival process' with the tour company's guidance. In order to complete this process the students will be filling in a visa form at school during registration time.

Furthermore, students will need to bring in **two** 4 x 6cm size passport photos which will be placed on the form.

The following is a list of nationalities that DO NOT need to have a visa to enter Vietnam and therefore are not required to bring in a passport photo or fill out a visa form.

1. Cambodia	2. Russia
3. Brunei Darussalam	4. Japan
5. Indonesia	6. Korean
7. Laos	8. Denmark
9. Malaysia	10. Norway
11. Philippines	12. Finland
13. Singapore	14. Sweden
15. Thailand	

A packing list was provided in the FAQ booklet that was handed out at the information evening. This is a good guide as to what students should be packing for the trip. An omission of one item was made however, which was that students **must bring a sleeping bag** as there may be an opportunity for them to camp for one night if the weather permits.

If you do not have a FAQ booklet then your son or daughter may pick one up from me or you can visit our school website at:
