Co-Curricular Activities Booklet

Term 2, 2019-2020

Co-Curricular Activities (CCAs) are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which impact positively on many facets of their development, including academic progress.

Co-Curricular Activities (CCAs) are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which impact positively on many facets of their development, including academic progress.

There is an extensive range of CCAs to choose from each week at the BIS Secondary Campus and we encourage our students to participate in a broad variety of activities. Whether you enjoy art, music, drama, sport, languages, solving mathematical or scientific problems, helping disadvantaged groups, enjoy the challenge of participating in the Duke of Edinburgh International Award or would simply like to try something new, there is sure to be a club available for you.

As we move into Term 2, we would like to challenge students to explore some of the exciting new Student-Led activities on offer. Improve your photographic skills by participating in Capture the Moment, or perhaps you would like to learn the basics of Adobe Photoshop, Adobe Illustrator and 3D design through Fusion 360? The Graphic Design Studio focuses on these skills as you complete practical projects. Join the Astrophysics/Astronomy Club to find out more about outer space and dark matter or challenge yourself with recreational escape rooms of various themes in the Mysterious Escape Room Club.

Paid Activities

There are a number of paid activities that students can sign up for such as The Caterers Academy Cookery Class, Archery, Golf, Climbing and many others. These are provided by external individuals and organisations with all information about them detailed in the online activities booklet.

If a student has selected a paid activity, an email confirming their choice will be sent to both the student and their parents.

The payment deadline for all paid clubs is **Friday 17th January 2020**.

Activity dates for Term 2, 2019-20:

Start: **Monday 10th February 2020**

End: **Sunday 29th March 2020**

CCAs may run before lessons and during lunchtimes, however, the majority are scheduled after lessons. There are two sessions each afternoon with a five-minute change-over period (2:50pm – 3:50pm and 3:55pm – 4:55pm). If activities finish beyond these times information is detailed in the booklet.

Note: Any students participating in CCAs from 3:55pm will need to arrange their own transport home and should consider this before selection.

The aims of our Co-Curricular activities (CCAs) at BIS, HCMC are:

- To provide a wide range of enjoyable and challenging experiences above and beyond the timetabled curriculum
- To allow competitive teams, drama companies and music ensembles to reach high standards of team/group and personal performance
- To provide opportunities for students to aspire to elements of the school's mission statement
- To continue to develop our involvement in community work
- To offer a balance of endeavour which provides the framework for the IBDP CAS Programme

CAS at BIS

Creativity, Activity and Service are woven throughout the Co-Curricular Activities. Originating from the International Baccalaureate Programme they set out to challenge our students to show initiative and perseverance as well as to develop skills such as collaboration, problem solving and decision making. For a balanced experience, we encourage students to take part in at least one of each of the three areas below:

- Creativity: The arts, music, languages and other experiences that involve creative thinking.
- Activity: Physical exertion contributing to a healthy lifestyle.
- Service: Any collaborative and reciprocal community engagement in response to an authentic need.

On-line CCA Selection – using CHQ

Activities need to be selected using the online CHQ system. Please see the next page for further instructions.

You will be able to see updates and changes to your approved activities through your on-line CHQ homepage. Both students and parents will receive notification when accepted for participation in a CCA.

For the majority of CCAs, the online system (CHQ) will randomly allocate students to each CCA. As it is not a first come first served system, you may not always get your first choice activity.

There are some exceptions to this rule as detailed below:

Sports

If the number of students for any sports activity is greater than the maximum capacity, students will undergo a trial and be notified of this during their first session. This may mean that you could initially be accepted for the CCA but possibly removed after the trial.

The PE department will endeavour to run a parallel programme during the same session for the same age group in the form of a recreational club. Therefore, if a student has a poor trial or significantly improves their skill level, the squad coach will be able to assess the student and potentially accept them into the squad at a later time.

Please note that:

- As competitive Sport runs as seasons and not terms (Sep - Nov, Nov - Feb, Feb - May and May-June), some of the clubs which have started in September will stop in November, whilst others may start in November and span over into Term

Wishing you all a wonderful second term.

Ms Tracey Brownrigg
Co-Curricular Coordinator and Community Service Manager

Season Sports Information

The PE and Sport programmes at BIS are structured to fit with the seasons of the SISAC competitions and are therefore not offered as termly activities.

This allows double training sessions throughout the week for our competitive teams and stops the dead-time experienced with students not attending clubs after the City Championships have finished.

When in the off season, we still provide one training session per week to prepare for the upcoming season in that sport. In that sports season, we expect people who are serious about playing in the school teams to attend both training sessions in the week.
