

Dear Parents,

There was a frenzy of sporting activity last weekend with CISSA Cross River football tournaments hosted at a range of schools, including NAIS Pudong.

NAIS Tigers had 8 teams taking part in the Cross River tournaments last Saturday 21<sup>st</sup> November. The teams did exceptionally well throughout the season and the end of season cross river tournaments and have all been a credit to the school.

Match reports will be posted on the school website, so make sure to take a look.

This weekend also sees our teams engaged in SISAC competitions and our NAIS Pudong Tiger Sharks will take to the road, and then the pool, for the Suzhou Invitational Swim Meet at Dulwich Suzhou. The team has been training hard and we wish them luck!
