

U11 MULTI-SPORT

Guangzhou

Host: The British School of Guangzhou
Event: Nord Anglia Under 11 Multi-Sports, China
Date: 6th - 9th June 2019

Welcome to Guangzhou

It gives me great pleasure to welcome everyone to the British School of Guangzhou for the 2019 Nord Anglia, China Region, U11 games. We are keen to build on the success of the U13 games in Beijing and determined to ensure that everyone leaves with a positive impression of our school, our students, staff and parents.

At the British School of Guangzhou, we embrace a philosophy of sport for all and encourage all our students to participate through our inter-house competitions and curriculum lessons. The Nord Anglia Global Games provides an opportunity for those students who are sufficiently motivated to attend training sessions and compete against like-minded students from our sister schools. We encourage our students to train hard and to enter this competition with the intention of winning, but with an understanding that dealing with the disappointment of losing is an essential part of competition. With this in mind we ask everyone involved to act as role models in applauding effort, skill and sportsmanship throughout the competition. I wish all students the very best as they compete and will be keenly following results.

The growth of our parent company has created a unique opportunity for students to transfer between Nord Anglia schools when parents relocate around the world. These games provide an opportunity to renew friendships as well as a chance to make new friends. We would encourage parents to find time to attend between the 6th and 8th June. The opening event will take place on Thursday 6th June, with Athletics, Football and Swimming competitions over the next 2 days, plus a final gala dinner on Saturday 8th June.

These games also provide an opportunity to experience the cultural diversity of China. Guangzhou is the historical centre of trade in China and is famous for its cuisine and in particular for its dim sum. For those intending to make the most of their visit I would encourage you to take a boat trip on the Zhujiang river, book a seat on one of the tour buses or visit Baiyun mountain to take in the local scenery.

Finally, I would like to thank all those people who have worked hard to prepare for this event. This includes staff from all the competing schools as well as those in Guangzhou who have been busy arranging transport, food and accommodation. Special mention has to go to our PE staff who have put in so many additional hours to ensure students are fully prepared. Well done to all students for being selected to represent your school, I genuinely wish you well, hope that you perform to your best and hope you enjoy the weekend.

Best Regards,

Mark Thomas
Principal

Head of Physical Education Welcome

It gives me great pleasure to welcome you The British School of Guangzhou for the U11 Nord Anglia Global Multi Sports Games. This is the first year of this competition and it is with delight that we are able to host. This event gives pupils the opportunity to compete in a range of skills across three sports: swimming, athletics and football.

This is a big team effort from the school and it has been great to see it all come together. Thank you to staff that have helped, your support has been invaluable in ensuring this event can happen. We have events taking place in a variety of locations, so please use this guide to support you.

It is great to see so many NAE schools taking part from all over China. This is a fully inclusive event for all members of our NAE community, and it will be great to see all of the parents enjoying the action.

Good luck to all of the competitors and apply yourself to all of the events, work as a team and use the experience to set yourself some goals for the future.

Thanking you,

Michelle Cuming

Head of Physical Education

Introduction

OFFICIALS

Throughout the games we are using trained referees and officials in all sports from various Chinese Governing Bodies as well as from BSG's own faculty. However, some members of our staff and students are also involved in one way or another as officials and assistants. They are not all trained PE staff and they will be doing the job to the best of their ability. I apologise in advance for any small issues that may occur and ask you to directly bring up with the Event Coordinator & Games Director, any issues which might happen.

INSURANCE/MEDICAL

Each participating school is responsible for ensuring their students are covered with comprehensive medical and travel insurance if required. A member of the school nursing team will be present throughout the Games (as well as off-site) and the First Aid Station will be known in advance for each day of the competition/games (Nurse's Office is located in the swimming pool office). If students require further treatment in a medical facility then this would be chargeable to the student through their own medical insurance. You will need to provide method of payment at the hospital dependent upon the nature of your travel insurance and school policy.

We recommend:

Guangzhou United Family Hospital and Clinics:

<http://guangzhou.ufh.com.cn/locations/main-campus?lang=en>

24-hour Emergency Hotline: (020) 3610 2333

24-hour Service Centre: 4008-919191

A local hospital option can be provided, but note all Chinese hospitals only accept cash and only in some instances foreign credit card payments for medical services will be accepted. Cash is typically the only method of payment at local Chinese hospitals.

AIR QUALITY POLICY

During the games the Air Quality Index (AQI) will be monitored and managers will be informed of changes to the games via a managers meeting if needed. We will be using our school AQI Policy for International Tournaments (above a 200 reading, play must be modified). Please note that students who have known respiratory needs i.e. your asthmatic children need to be aware of changes in the AQI.

FOOD & DRINK SALES

Parents, spectators and students can buy food and drink throughout the Games from our Café located at the Secondary School building.

WATER BOTTLES

We will be supplying students with a NAE Global Games water bottle in their welcome pack. There will be water coolers around the sports venues for students to fill their bottles. Tap water is not safe to drink so students should only drink verified bottled water.

CHANGING

Changing facilities can be accessed by the Swimming Pool. Please arrive changed in the morning ready to play if possible, as the space in these changing rooms is limited for large groups. Within these areas, toilets, & showers are available.

PARENT INFORMATION

If you have any travelling parents then, please direct them to:

Sandra Bi, sandra.bi@bsg.org.cn (PE Secretary).

Sandra is available to answer any logistical questions in relation to where to go and what is available to do while in Guangzhou.

WEBSITE DETAILS

We have a Nord Anglia Global Games China portal on our school website. You can find it by going to www.bsg.org.cn. From the site, the U11 Multi-Sport page can be found under 'Calendar Events'. Bookmark this link for easy access, and we encourage you to communicate this link/microsite to your school community for regular updates on and other helpful information for your teams and supporters.

In addition to the school webpage, we will be putting updates on to our Facebook page which can be found here: www.facebook.com/BSGNAE

VALUABLES/SECURITY

Please remind students that they are responsible for the security of their personal belongings at all times. China is incredible safe but theft no matter how safe it is here, does occur sometimes. Teams will have an assigned area where they can store their things, but again it is suggested not bring any electronic items such as IPADS, mobile phones, if these can be left at home or at the hotel.

SWIMMING

7th June

General stroke guidance

There must be a two-hand simultaneous touch for both Breaststroke and Butterfly hands on the wall at the turn and end of the race. Backstroke swimmers must finish their race on their back, and if not executing a racing tumble backstroke turn, touch the wall on their back before turning to push off on their back. In the 100m IM races the swimmer must touch the wall with the correct technique for each stroke. FINA basic rules will apply.

False Starts All races shall have a 2-start ruling. On a first false start, all swimmers are called back. On the second start, the race continues and any swimmers who have performed a false start will be disqualified.

In the relay events, early takeovers will result in disqualification. Outgoing swimmers should wait for the incoming swimmer to touch the wall before commencing their leg of the relay. For the 4x25m relay, swimmers in the shallow end are to start in the water.

All individual swimmers (or 4th leg relay swimmers) stay in the water at the end of their race until all swimmers have completed the race and they are told to leave the pool by the referee.

Any concerning inconsistencies between placing, times and the stroke judges' decisions shall be brought to the meet organiser who's decision will be final.

Tyre Relay

10 x 25m (Mixed gender races A + B)

Boys start in the deep end girls in the shallow end.

The tyre starts on the side of the pool, they then lower themselves sitting in the ring and use their arms and legs to get to the other side. On reaching the other end they get out and another swimmer enters. The finish will be judged when the first tyre with the swimmer on it on the last leg touches the side of the pool. Students must be seated in the tyre. If the swimmer falls out they must not use the lane ropes but climb back in the tyre to continue the race. Students must exit the pool once they have completed their leg of the race. The students cannot use the lane ropes to assist or gain an advantage.

Swimming pool

There is a spectator area for parents, and other non-participants, located to the side above the swimming pool. Participants waiting for their event can wait in the designated area on the astro turf adjacent to the pool.

Changing rooms will be available for the competitors prior to and after the event and these are located by the entrance to the pool. Competitors are advised to arrive at the event with swimsuits on under their clothes. Time will be given to change for the competition at arrival/ warm ups.

Marshalling will take place outside the swimming pool entrance on the astro turf. Students will then be led onto pool side. Please ensure that students are in marshalling promptly.

On race completion students will be given a place card which they will then take to the recorder. Students in 1st, 2nd or 3rd place are to then go to the podium which will be located just outside the pool area. All students to wear a t-shirt when they are on the podium.

ATHLETICS

7th June

General information

The field events for athletics will take place at BSG and the track events will take place across the road at the Nanhu International School. Their track is a 200m track with 3 lanes for all events except for the 60m which has 6 lanes. The 60m and the 800m will be a straight final as all other events will be two heats of three with the winners calculated by times. All medals will be awarded at the evening BBQ at BSG.

In the field events, competitors will be allowed one practice before starting the competition. All competitors will get 3 attempts in the field competition except for high jump.

DISCUS

The athlete must enter and leave the circle from the rear half of the circle.
Athlete has to stay behind the throwing line until the discus has hit the ground.
The distance thrown is measured from the throwing line to where the discus lands.

JAVELIN

The turbo javelin must be held at the grip section. The javelin tip must strike the ground before any other part of the javelin or if landing flat measurements will be taken from the tail of the javelin where it first makes contact with the ground. The athlete has to stay behind the throwing line until the javelin has hit the ground. The javelin must be thrown over the shoulder or upper part of throwing arm (not slung or hurled, no round arm throws). The distance thrown is measured from the throwing line to where the javelin lands (tip first).

THE START

60m, 100M, 200M & RELAY RACES:

The command will be “on your marks” – “set”. When all competitors are set i.e. motionless on their mark, the whistle/gun shall be heard.

Runners must stay in their lane. Any competitor jostling, running or walking across or obstructing another competitor so as to impede progress shall be liable for disqualification.

800M RACES:

The command will be “on your marks”. When all competitors have assumed a steady position, the whistle/gun shall be heard.

LONG JUMP

Athletes need to take off from or before the take-off board. If athletes take off after the board, it is a foul jump.

Measurement is taken from the take-off board to the nearest mark made in the sand by any part of the athlete's body.

HIGH JUMP

Athletes have a maximum of 7 jumps and can start jumping at any height. Athletes must take off from one foot. The head of athlete cannot go over the bar before the leading foot.

Elimination will be after 3 consecutive failures (they do not have to be at the same height).

It is a foul if:

The athlete knocks the bar off the upright supports.

The athlete touches the mat or uprights or bar with their hands to help them get over the bar.

The athlete jumps from two feet.

TRIPLE JUMP

Athletes can start with their lead leg up to the line or may take a 1 step approach.

SHOT PUT

The athlete must enter and leave the circle from the rear half of the circle. The athlete must rest the shot in between the neck and shoulder and keep it tight to the neck. The athlete has to stay behind the throwing line until the shot put has hit the ground. The distance thrown is measured from the throwing line to where the shot lands at its nearest disturbance of the grass.

Indoor 1kg shot puts will be used.

Format

At the Opening Ceremony, a draw will take place to determine the four groups.

9 Boys teams will be split into a pool of four and a pool of five. 8 Girls team will be split into two pools of four. Each pool will play a round robin format and then teams will proceed to either the Cup or Plate competition.

All results and standings will be recorded and displayed pitch side throughout the event. Each school will be provided with a fixture list on Friday morning.

If a match is tied at the end of regulation time and it is necessary to have a winning team, a 5-minute Golden Goal extra-time period shall be played. If no goal is scored during extra-time, the result of the match is determined by 3 Penalty Kicks, followed by 'sudden death'.

Basic Rules

7-a-side rules apply

Maximum roster size during the Global Games Tournament is 16 players

2 x 10 minute halves with at least 5-minute break for half-time

Unlimited substitutions are permitted.

In the event of points tie, placings are decided using the Global Games Tournament Tie-Break Rules:

- a. Result head to head between tied teams
- b. Goal differential head to head between tied teams
- c. Most goals scored head to head between tied teams
- d. Goal differential during the tournament/group play
- e. Most goals scored during the tournament/group play
- f. Tournament Director Decision.

Scoring

4 points for a win, 3 points for a score draw, 2 points for a goalless draw, 1 point for a loss

Mercy Rule-Max Score recorded cannot exceed 6 goals ahead. Modified play is encouraged at this point.

Fairplay

At all times emphasis should be placed on fair play and sportsmanship.
