Graduates

In a recent survey conducted by the Council of British International Schools (COBIS), The British School of Guangzhou came 3rd in the world for A* to B grades at A-Level. With half of all the School's graduates from 2014 accepted into the world's top 30 universities and the class of 2015 already securing offers at prestigious institutions, there has never been a better time to celebrate British education in Southern China.
