RE: U11 FOBISSEA TRIAL RESULTS

Dear Parent/ Guardian,

On Saturday 23 November your child took part in the BISS Lions U11 FOBISSEA trials. As a PE department we were very impressed with the excellent attitude, effort and skill level from all the athletes who took part in the trial. Due to the format of the games, we are restricted to a maximum team size of 36, 6 girls and 6 boys per year group from years 4, 5 and 6. Some very difficult decisions had to be made in order to choose our most competitive teams and unfortunately, on this occasion your child has not been selected for the FOBISSEA squad. We greatly appreciate the efforts made by all the athletes and hope that the disappointment will not stop your child trying out for the games next year.

Many thanks for all your efforts!

Regards,

Thomas Hitchings and Ross Hill
