Digital leaders <i>(Tuesday)</i>	<p>This CCA aims to encourage passion for technology, develop an understanding of how technology helps us in school, and build and develop leadership skills.</p> <p>The students will learn to use and apply the core school apps, assist in class with the utilisation of these apps, and plan how these apps can be used in their class learning.</p>	Years 3 - 6	Nicole Ferguson	Room 206 Max 20 students
Vocal Club <i>(Tuesday)</i>	<p>Do you like to sing? Do you see yourself as the next Adele, Bruno Mars or Little Mix? Then I think Primary Vocal club could be for you. Primary vocal club is a chance for you to get together with friends, or meet new people in different year groups to share your love of singing whilst developing your vocal technique and confidence. Performance is a big part of this activity.</p>	Years 3 - 6	Kate Rochell	Room 286 <i>Unlimited</i>
Chess club <i>(Tuesday)</i>	<p>Students of all levels are welcome to come and experience the ultimate test of strategy. Pit your wits against students from other year groups. Students will be taught some basic tactics, opening gambits, special moves and the end game.</p>	Years 3 – 13	Stephen Kuzina & Joel Parker	Room 228 Max 20 students

Yoga <i>(Tuesday)</i>	This CCA aims to encourage a passion for yoga, enhance physical flexibility through a variety of poses, refine and develop focus, balance and coordination, and boost self-esteem and confidence. The students will practice a range of basic poses, and strengthen the Mind-Body Connection.	Years 4 – 9	Saida	Forum Max 20 students
Arabic Reading Club <i>(Tuesday)</i>	This CCA aims to practice reading stories, discuss the topic and overall themes of the stories and practice rewriting the stories.	Years 4 – 6 <i>(Arabic A students)</i>	Ms Asma	Room 270 Max 20 students
Conversation Club <i>(Tuesday)</i>	Conversation Club aims to provide a friendly, fun environment where EAL students feel confident about using English to communicate and then take this confidence into the rest of their school lives. Through the use of games and activities, there will be opportunities for students to practice different speaking techniques - questioning, making statements, passing on information etc, as well as independent, student-led conversation.	Years 5 & 6 <i>(EAL students)</i>	Paul Greed	Room 215B Max 10 students
Maths Club <i>(Tuesday)</i>	This CCA aims to encourage an enjoyment of mathematical problem solving and develop a range of skills, such as: working systematically; pattern spotting and logical reasoning. The students will work collaboratively to solve challenging mathematical problems and puzzles.	Year 5 & 6	Sas Clarke	Room 229 Max 20 students
Scrapbooking <i>(Tuesday)</i>	A lovely way to capture moments and keep them forever in a beautiful book... At scrapbooking CCA you will learn how to think of a theme for your scrapbook and create a page by page journal of your precious moments to share with your friends and family. Why not make a special scrapbook for a loved one to remember all the good times!	Year 5 & 6	Catherine Badesha	Room 226 Max 20 students

Wednesday CCAs

Activity	Description	Year Group	Teacher	Venue
Board Games (Wednesday)	This CCA aims to encourage social skills such as sharing, cooperating in a group and friendships, improve basic counting skills, develop the use of English vocabulary and encourage thinking and problem solving skills. Using a variety of Board Games, the students will work in small groups and be given opportunities to read and follow instructions, take turns and solve problems.	Year 1	Catherine Stewart	Room 114 Max 15 students
Gardening Club (Wednesday)	<p>From sowing and harvesting, we will be growing all kinds of plants. The children will discover that their job as gardener will change as their plants grow. We will keep diaries documenting the learning, including photos, sketches and notes. Sometimes we might get creative and decorate pots and make dazzling decorations for the garden. When we grow, we won't necessarily need a garden. We will improvise using containers, baskets, boxes and bottles. All this will naturally lead us to explore how we can recycle and reuse items that we find around school and at home.</p> <p>Please be aware that children may be asked to supply items for this club, for example, a note book to record data, reusable rubbish from home, pots to decorate, an old shirt to garden in etc.</p> <p>This CCA aims to encourage a passion for nature, teach about plant growth, build and develop recording skills, and encourage children to consider the environment that they live in. The students will grow plants, be creative, record information, and reuse and recycle</p>	Year 1	Jessica Speddy	Room 130 Max 10 students
Maths Club (Wednesday)	<p>This CCA aims to develop an understanding of Year 1 mathematical concepts consolidate previously learned concepts and help students develop confidence and realise that maths can be fun.</p> <p>The students will play group and interactive games to apply mathematical skills, engage in problem solving and logical thinking activities and practice strategies to develop mental maths skills.</p>	Year 1	TBC	Room 131 Max 15

Origami Club <i>(Wednesday)</i>	Children will learn the Japanese art of folding paper into decorative shapes and figures This is a creative and fun way to develop a special skill and each week children will create a masterpiece of their very own to take home!	Year 1 & 2	Lisa Templeton	Room 145 Max 15
Arabic Storybook Club <i>(Wednesday)</i>	We will read different stories and introduce students to using a range of websites in order for them to continue practicing at home. Students will be encouraged to differentiate between short or long vowels. They will learn how to read a sentence and to make new sentences using new words in order. We will discover new vocabulary, explore the meaning of these words and use them to create new sentences.	Years 1 – 3 Arabic B students only	Ms Kenda	Room 222 Max 20
Maths Club <i>(Wednesday)</i>	This club will focus on improving students' mental maths skills and their understanding of mathematical vocabulary, for confident application.	Year 2	Jenny Millington	Room 103 Max 15
Book club <i>(Wednesday)</i>	This CCA aims to encourage passion for reading, develop an understanding of how stories are written, and build and further develop comprehension and inference skills The students will read at a range of books and discuss their favourites, discover the history of books, such as how they were made and the first stories that were made into books, and focus on famous characters and storylines from a range of genres.	Year 3 & 4	Georgina Morgan	Room 275 Max 20
Film Club <i>(Wednesday)</i>	Film club will give children the opportunity to watch, discuss and review films. This is a fantastic launch pad for introducing young people to film, as well as boosting literacy, critical thinking and filmmaking skills. Children will access a variety of films from old to new. We will provide them with the opportunity to explore new content and a range of genres, in turn inspiring children's creativity and passion for film and reading stories. Outcomes will include being able to critique films and plots, writing reviews and improving literacy skills, developing and being able to engage in debates, developing speaking and listening skills and boost confidence through group discussions, a better understanding of social and emotional issues, using iPad applications to create their own film, and comparing and looking in detail at book adaptations and how they are portrayed in film.	Years 3 - 6	Nadia Mekhid	Room 288 Max 20

Eco Warriors <i>(Wednesday)</i>	Calling all Eco-Warriors! Are you passionate about the environment? Would you like to help your school and friends become more aware of what is happening to the world around us and what they can do to help save it? To join this CCA, you need to be committed to changing attitudes, saving the planet and improving our school at the same time. This CCA will require hard work, sometimes at home and often during break or lunchtimes, public speaking during assemblies and creativity and imagination – you will have to bring your own ideas and suggestions as to what our school and students can do to reduce our waste and energy consumption in order to ensure a bright future for our planet.	Years 3 - 9	Cara Shore & Jenny Marsh	Room 357 Max 20
Momentum – Dance and Gymnastics <i>(Wednesday)</i>	Momentum is a new Gym and Dance CCA that will allow students to develop their gymnastics skills whilst working with partners and groups. There will be an emphasis on movement skills and creativity with taught dance material and opportunities for developing routines as the company work towards a performance. Students will enjoy the fun and energetic dynamic structure of the CCA. Tap dancing will also be offered so if you wish to take part please ensure you have a pair of tap shoes. Auditions will take place on Wednesday 13th January 3.00pm – 4.00pm. A welcome letter will be emailed to students who registered with further information.	Years 3 - 11	Ariane Wymes, Gaynor Lowe, Katherine Harvey & Louise Brown	Sheds Max 45
Orchestra <i>(Wednesday)</i>	If you play an instrument; woodwind, string, brass or are interested in joining the percussion section then sign up for this activity. Learn new ensemble skills and rehearse some exciting new repertoire for a busy programme of events this academic year. Come and be a part of a new and exciting musical adventure.	Year 3 - 13	Sarah James	Music room <i>Unlimited</i>
Art Club <i>(Wednesday)</i>	This CCA investigates certain techniques used in Art History then has the students producing art work using these techniques. It will provide students with the opportunity to experiment with a range of materials both recycled and man-made and discover techniques related to textiles, surface pattern and still life drawings. Students will produce their own unique art pieces based on selected themes.	Year 4	Razia Bashir	Room 259 Max 20

Arabic Reading (Wednesday)	We are going to practice reading different stories and using some technology to continue at home. Students will be encouraged to differentiate between short or long vowels. We will learn how to read a sentence and to make new sentences using words in order.	Years 4 – 6 <i>Arabic B students only</i>	Fatima Qadoumi	Room 236 Max 20
Art Club (Wednesday)	Over the term we will go on a journey around the world looking at different artists from various eras. We will study some of the world's most famous artists, identifying their individual styles. We will then produce artwork linked to each artist's style. We will explore different techniques using a range of various resources for example, painting, pastels, water colours, charcoal.	Year 5 & 6	Sam Squire	Room 205 Max 20
Fun and Games (Wednesday)	During this CCA the students will participate in a range of fun and exciting activities, including: Kwik Cricket, Spud, Rounders, Double Dutch Jump Rope, Crazy Cricket and many more. The aim is to improve general fitness, develop coordination (Catching and throwing skills), increase spatial awareness and build teamwork skills, confidence and self-esteem.	Year 5 & 6	Fran Doran	Outdoor Max 20
Design IPAD (Wednesday)	This CCA is about the designing world! Design is used in many different contexts in life – fashion, interior design, designing cars etc. We will use the iPads to make our ideas come to life and learn to develop these further, thinking about the consumer.	Years 5 - 7	Aziza Tickley	Room 225 Max 20

Thursday CCAs

<i>Activity</i>	<i>Description</i>	<i>Year Group</i>	<i>Teacher</i>	<i>Venue</i>
Junior Stage Stars (Thursday Lunch times 1.10pm – 1.40pm)	Interested in improv? Attracted to acting? 'Junior Stage Stars' will give you the chance to try out your talents onstage and be part of an ensemble group who will perform their pieces in the Arts Café at the end of Term 1. It's a great opportunity to practice new skills, build confidence and make some new friends!	Year 5 & 6	Rachel Thomas	Drama studio Max 20
