How could you help your friend?

Your good friend enjoys uploading videos to the internet sharing top tips for Minecraft. Yesterday you went to check out his latest post and spotted some mean comments underneath.

One user in particular has left comments like: **‘Ha ha your voice is so weird, why are you talking like that?’** and others have also commented on the words he has used. You know this will have upset your friend as he is trying to help others with Minecraft.

How could you help your friend?
