IB INFORMATION EVENING FOR YEAR 11, TUESDAY 20 JANUARY

Dear Year 11 Parents

I am writing to invite you, along with your son or daughter, to attend the IB information evening on Tuesday 20 January.

The aim of the evening is to provide students and their parents with all the information that they need about the International Baccalaureate Diploma Programme here at BISS Puxi. There will be a presentation about the different elements of the programme and how we as a school fit them together over the two years of the course. We are immensely proud of the success of our IB students in recent years, and our outstanding results in 2014 were our best ever.

Perhaps most importantly, you will hear about the wide range of subjects that we offer. Subject specialists will be available to talk about each individual course that we offer and to answer your individual questions. There will also be displays of student work and resources, so you can see more closely what is involved in each subject, and you will be able to take home a copy of our new IB curriculum guide.

The evening begins with refreshments and the opportunity to talk to teachers from 6:30pm onwards in the foyer of the secondary building. At 7:00pm we will move into the Auditorium for the presentation, which will be followed by further opportunities to talk and to ask questions.

I look forward very much to seeing you on 20 January. If you have any questions, please do get in touch (j-white@bisspuxi.com).

In the meantime I wish you and your family a great holiday and a very Happy Christmas.

With all best wishes

Jane White
Head of the IB Academy
