

# Year 6 Home Learning Menu

## Starters: Times Tables

Say all of your tables out loud.

Eg: 6 times tables

1 times 6 is 6,

2 times 6 is 12 etc...

Say all of your tables out loud & backwards

Eg: 8 times tables

96, 88, 80, 72, 64, 56, 48, 40, 32, 24, 16, 8, 0

Top marks- Hit the Button multiplication game online.

Mathletics- try to achieve 3000 points this week!

**Main Course** – you **MUST** do these every week:

- 🍏 **Reading**: Read every day. Get your parents to write a comment and sign your reading log at least three times per week.
- 🍏 **Spellings**: Make a word search using your spelling words.
- 🍏 **Times Tables**: Complete the tables work in your homework folder.
- 🍏 **Mathletics**: Complete the assigned tasks and do you best to earn as many points as you can.
- 🍏 **Reading Eggs**: Choose a book relating to Extreme Survivors and read it to earn your reading eggs.

- 🍏 Everyone **must** finish the main course every week. Work must be completed by Tuesday.
- 🍏 Dessert projects are optional. If you have completed it, you will be asked to present your work to your teachers and peers.
- 🍏 If you are feeling *extra* hungry, you can order from the starters. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- 🍏 Why not spend some time tackling some of the family side dishes? Time spent as a family is important and you can learn together whilst having fun.

**Dessert:** Your project is due on the 13<sup>th</sup> of December.

Our new unit on Extreme Survivors is going to be thrilling...

- Build a model of an extreme environment including all the plants and animals you would find there. Use your creativity and impress us!
- Write an epic adventure story about survival.

## Sides: Family Fun

- Watch Frozen Planet with David Attenborough at home with the family.
- Play your South Pole Explorer boardgame at home with your family.
- Choose a book to read to your parents. Read together and ask each other questions for fun.
