

Year 6 Home Learning Menu

Starters: Reading & Spelling

Get your parents to give you a spelling test choosing words from your communication diary lists.

Look, Say, Cover, Imagine, Write, Check your spelling words from the Year 5 & 6 list of spelling words.

Work through your Reading Eggs and Reading Eggspress spellings.

Read a good book and choose 10 challenge words to do some dictionary work with.

Main Course – you **MUST** do these every week:

- Reading: Practise the reading comprehension you can take from class. Ask your teacher for a copy before you go home on Thursday.
- Spellings: Revise your spelling words from this term in preparation for our Spelling Assessment test next week.
- Times Tables: Revise, revise, revise!
- Mathematics: Earn your points.
- Reading Eggspress: DEAR Time
- Education City: Log in and explore!

- Everyone **must** finish the main course every week. Work must be completed by Tuesday.
- Dessert projects are optional. If you have completed it, you will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes? Time spent as a family is important and you can learn together whilst having fun.

Dessert: Choose at least one! These are due on the 13th of December.

Our new unit on Extreme Survivors is going to be thrilling...

- Build a model of an extreme environment including all the plants and animals you would find there. Use your creativity and impress us! 😊
- Write an epic adventure story about survival.

Sides: Family Fun

Assessment Week Preparation

- Make sure your child gets lots of sleep this weekend, so they are well rested for the assessments on Sunday and Monday.
- Spend time speaking to your child about what they remember about the FLOs that were sent to you last Thursday. This will help them to think and remember the work they have done.
