INDIVIDUAL MUSIC PROGRAMME (IMPs) FOR YEAR 1 to 6

Dear Parents,

Welcome to the Individual Music Programmes for 2018-19 (IMPs). These provide great opportunities for children to learn musical instruments in one-to-one lessons delivered by highly-skilled specialist instrumental teachers. Lessons take place during the school day and lessons times are rotated throughout the term to limit disruption to classroom learning.

This term, lessons will be available on the following instruments:

Drum Kit/Percussion	Recorder	Trumpet (KS2 only)
Guitar	Flute	Violin
Ukulele	Saxophone	Piano

Places are offered on a 'first come, first served' basis. However, to ensure continuity and enhance musical development, children enrolled in IMPs programmes from the previous term are given priority. If you would like your child to continue his/her IMPs lessons, please register and pay as soon as possible.

New students can also **register and pay using the link below:**
