

Year 9 Homework Guide

Subject	Approximate amount of homework set per week	Resources needed
Maths	Approximately 1 hour per week. To supplement homework tasks, students can use intervention sheets (provided on Moodle) or MyiMaths.com.	Moodle, MyiMaths.com.
English	30 minutes of reading every day and completion of quizzes on Accelerated Reader once a reading book is finished.	Access to Accelerated Reader.
Science	Approximately 60 minutes. This can be supplemented by research and reading/ assignments set on 'kerboodle'.	Computer and kerboodle.
Music	Each week students will be issued a task to be completed on the Music First online platform. Tasks generally include information which is supported by an online test. Marks from the tests are sent to the teacher to track student development.	Resources required. Internet capable device and a Music First login provided by the teacher.
Art	60 minutes set approximately 3 times per half term. Tasks might include research, collecting, practising a technique or finishing work.	-
Drama	Approximately 30 minutes every 3 weeks.	Sometimes they will need a computer, other times they might need access to 'junk modelling' materials/things available at home.
Modern Foreign Languages	Approximately 45 minutes a week.	Homework will often be vocabulary learning or online activities to reinforce in class learning.
Thai for Thai	Approximately 45 minutes / week on the day which is on timetable (Monday or Wednesday).	To read variety of Thai texts/newspapers or magazines regularly.

Thai for All	No homework set but students should independently study vocabs from lessons and try to use them in real situations.	-
Dance	Approximately 10 minutes per week – students practice routines learned in class and engage in dance related videos or apps online, as well as the revision of key technique principles, choreographic/structures and researching dance practitioners.	-
Computing	Approximately 2-3 homeworks per half term to complete a high quality project. Investigation or practical.	Moodle, internet access (no additional software will be required).
PE	40 minutes of fitness - 20 minute aerobic exercise (e.g. brisk walk, run, bike ride), 15 x sit ups, 15 x press up, 15 x squats (repeat 3 times).	Physical activities can take place anywhere, no specialist equipment is required. Please encourage your child to be physically active at least 3 times a week. Physical activity enhances academic success.
Geography	Approximately 30 minutes every week.	Homework activities are not completion of classwork. They are a range of differing activities focusing upon a range of skills.
History	Approximately 45 minutes each week.	Access to Moodle or the internet may be sometimes required.
