Dear Parents,

It was lovely to see so many of you last week at our annual picnic. The weather was beautiful, and many of you took the opportunity to picnic on the grass and enjoy the activities.

Recently we had a visit from Mrs Elizabeth Lamb, Head of Primary at our Nord Anglia school in Dubai. She is involved in a collaborative project within the Early Years department, across both schools. She was very impressed with the changes which have taken place in our department, as her Early Years department are also working in a very similar way. We discussed future plans for visits and how staff from both schools can connect and support each other. Our curriculum in EY is very child-centred and child-led, which encourages greater creativity and independence of the children.

Eamonn Morgan

Thank you to many of you for supporting our 'Movember for Morgan' event. There is still time to contribute to this great legacy. Please click on this link below if you would like to make a donation or simply to get more information <https://www.gofundme.com/2h7jmgvg>

On Tuesday 1st December at 7:30am we are holding a simple assembly to remember Mr Morgan. This will be held in the hall.

Next week's activities:

Next week our school nurse will also be doing the rounds of classrooms discussing several aspects of hygiene with the children, including proper hand washing and spreading of germs caused by sneezing and coughing. Please remember to keep children away from school if they are showing any symptoms of influenza to avoid spreading this in school.

Best wishes,

Margaret Pilkington
