**Learning Enrichment Activity Program (LEAP) - Registration Form**

Dear Parents,

Attached to this letter is an outline of the Semester 1 activities being offered to you and your child as part of LEAP. Learning Enrichment Activities Program (LEAP) is an after-school program that provides quality co-curricular activities in **Arts, Technology, Languages, Academic Learning** and **Service** to our **Primary** and **Secondary** students, **parents** and **other adults** from 3:10 - 4:00 pm (Primary) and 3:40 - 4:30 pm (Secondary). The purpose of LEAP is to enrich the lives of our students, parents and other adults with activities that broaden the child's educational experience, compliment their daily schooling and provide a healthy and active experience for parents and other adults. The aim of the program is to develop further interests and build foundations for learning through after-school activities that operate on a semester basis.

LEAP (Semester 1) will begin 21st September 2020 and finish on 4th December 2020 (11 weeks unless stated otherwise).

Sessions are **3:10 - 4:00 pm for Primary** and **3:40 - 4:30 pm for Secondary** (unless stated otherwise).

Objectives:

1. To complement students, parents and other adults' daily schooling
2. To expand and enrich student interests
3. To provide teacher and student mentorship
4. To create foundational skills for students
5. To build alternative learning communities
6. To develop creativity
7. To have fun

### **Next Steps**

1. Please read over the activities being offered to you and your child's particular interests.
2. Discuss this with your child and make a plan for the week.
3. **Complete the signup form.**
4. **Take to the Finance Office for payment.** This constitutes your booking.
5. Please note:
  - a. There is a minimum of 5 students per activity (unless specified).
  - b. There is a maximum number of students per activity to ensure quality and proper student and teacher/coach ratio (this may differ per activity).
  - c. The registration is **NOT** a guarantee that the student will participate in the chosen LEAP activity, nor that the activity will run. The LEAP Coordinator holds the right to cancel the activity if the registration is below the minimum number of students. If the LEAP activity is oversubscribed, the LEAP Coordinator will, if possible offer a second class or provide an additional teacher/coach.
  - d. Students **must** be **picked up promptly** after their LEAP classes. Students who are **NOT** regularly picked up may be removed from their LEAP classes.
  - e. In case of emergency, illness, or injury to a child, the parent or guardian will be notified immediately. If the parents/guardians cannot be reached immediately, the emergency numbers on the registration form will be called.
  - f. On discipline, all students are expected to adhere to the school values and guidelines at all times. Any consistent behavioural problems may lead to the child being removed from their LEAP classes.
  - g. Bus riders need to go straight to the bus service as soon as the LEAP class is finished. This is **strictly only** for those who are already on the bus plan after school.
