Dear Parents,

*Did you know that a good way to meet new friends in our school community is through PA events ? There is a PA events wechat group chat. This year PA has organized plenty of FUN activities like monthly Beijing Tours, a parent choir, exercise classes, calligraphy and painting, mahjong sessions, book club, monthly luncheons, and more! We also come together and volunteer for charity events as a school community. If you are not in the PA events group chat please contact us so we can add you to the group.*

*There is always something exciting happening at BSB for the parents. When we are together we can discuss what is happening at our school. Please take the time to join our activities. Thank you!*

*Discover Chinese Calligraphy and Chinese Painting with us!*

*Join our Mahjong Club!*

"PA clubs aim not only to provide some choices for BSB parents to enrich their outside households life but also to provide opportunities for BSB parents to share their specialties and experiences. It is always a warm atmosphere and welcoming people that make BSB so unique." Grace, PA SC Member

*Our school has lots of wonderful teachers. Our PA is preparing a little gift for the teachers Appreciation Day to thank them for their hard work and dedication to teaching our children.*
