

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Literacy**, we will be creating counter-argument statements in readiness for the persuasive letter that we will write in Big Write next Wednesday. We will be learning to proof read our work identifying errors and improve our writing where appropriate.

In **Numeracy**, we will be revising angles. We will start with measuring acute, obtuse and reflex angles, and will move onto drawing angles using a protractor. We will also touch on conversions by looking at changing ml to l, cm to m, kg to g.

In **Science**, we will be investigating condensation. We will look at the three states of matter, including how a liquid can change into a gas and reverse.

In **IPC**, we will be exploring music through Myths and Legends. We will be listening to a range of music that were composed from the myth and researching how effective it is. We will then be composing some new music that portrays our emotion and feelings towards the story.

In **ICT**, students will be looking at a new app called 'Sketch Up'. This will create our art gallery. We will be exploring the app and looking at how we can zoom and move around the screen. We will also be adding rooms and creating an upstairs area.

In **PSHE**, we will be looking at relationships between peers and family. We will focus on the positives and negatives and how we work well with them. We will be working as a team to tackle some of the issues which arise.

For **Spellings**, students will receive their spelling lists every week and will be tested on the list on the same day, the following week. Please see student's timetables to see when they have spellings. Students will have 11 words to learn during the course of the week.

#### Notice & Reminders:

- Please remember to check your child's Communication Book daily.
- Please remember to like our school's Facebook page for updates from the Year group.
- Please remember to read at home and sign the Reading Journal.

- Please remember to learn the spellings and times tables and check which times table your child is completing, this is stuck at the front of the communication book.
- Please remember to wear the correct uniform for school.
- Please log onto Global Campus at home and explore.
- Remember there is no school on Sunday 13 May.
- Remember the times change for school next week for Ramadan.

Yours faithfully

Year 5 Team
