The  Global  
Classroom

LEARN. VIRTUALLY.  
EVERYWHERE.

# The Global Classroom

## So what is the Global Classroom?

- Somewhere you can work with thousands of students on a range of interesting subjects
- A place for you to learn, discuss, share and challenge yourself
- Somewhere you can learn from experts, online courses and discussions with others from all around the world.
- A place for only our Nord Anglia Education Students
- A safe and secure space

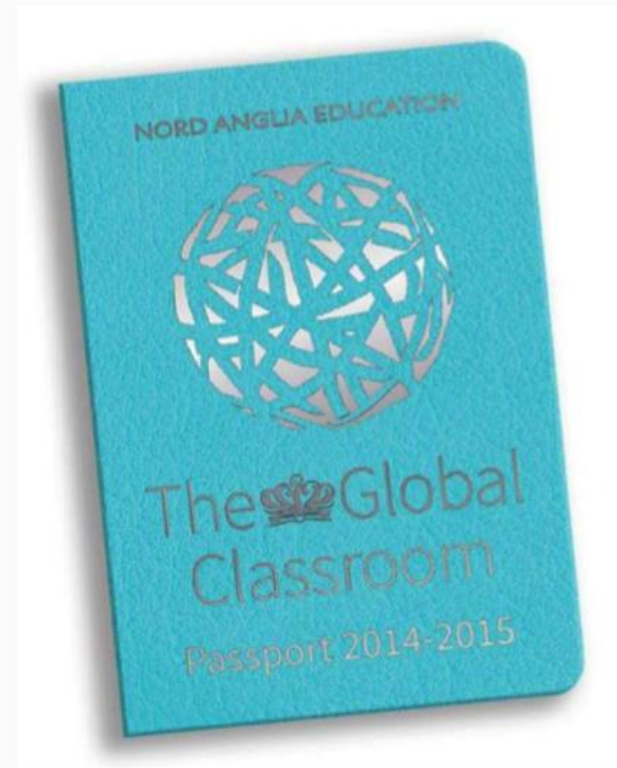

# The Global Classroom Passport

This year is special.

Get ready for your very own  
Global Classroom **Passport!**

Welcome travellers...

You are the pioneers and your  
journey starts here.

# The Global Classroom Passport

- A fun way to share what you've been up to online.
- Gain a stamp when you've explored the different locations.
- Then collect all 21 stamps to achieve 'The Global Classroom Star Award'!
- The more you get involved, and the more areas you visit, the more stamps you collect!

LEARN. VIRTUALLY.  
EVERYWHERE.

# When you complete a task, get a stamp in your passport from ...

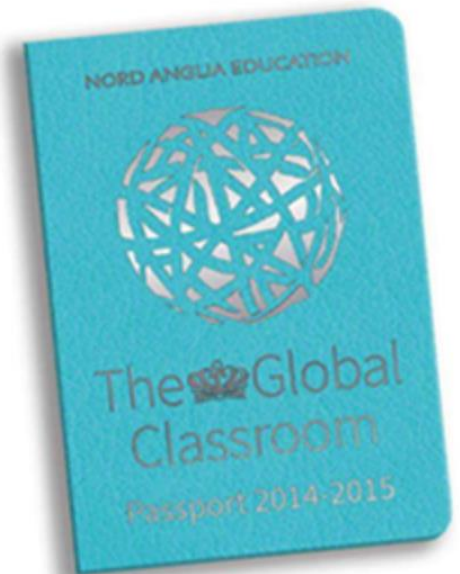

- Mr Robinson
- Mr Ferguson (year 4)
- Ms Charlier (year 5 & 6)
- Mr Boyd
- Mr Bishop

Get This and 5 Million Images for FREE. Try Image Streaming by visiting our site.

# Why collect the stamps?

- Earn certificates and awards
- Earn House Points
- Enjoy great opportunities in the future to be involved in Global Classroom events
- Most importantly, you will be controlling your own learning and opening new opportunities for learning and fun you may never have thought of before!

# When can I use the Global Classroom?

- The Global Classroom is available online 24/7
- Pupils should aim to use the website at home for an hour or more a week for their own choice of activities.
- Teachers will also share opportunities to use GC in class or for specific homework activities

*Please note the GC is not a suitable method to contact your class teacher. Please continue to use e-mail or your other present method.*

# Stay Safe on the Global Classroom

**The Global Classroom is carefully monitored to ensure students are using it safely and appropriately.**

**Please follow the following rules:**

**Be nice!** -- The Meeting Place is a place for everyone. Whatever you're discussing, encourage and support one another. Any offensive messages or comments about individuals, schools or teachers will be deleted.

**Think about your post** -- Is it interesting to other people? Does it add to the discussion? Is it likely to get replies?

**Read what's there already** -- If there is a thread with a similar title, join that one instead of starting a new one.

**Choose the right title** -- When you start a new thread, make sure the title says what it's about – then people are more likely to look at it. Be specific.

**Is the topic suitable?** -- Please don't start conversations about games, films, TV programmes or music that aren't suitable for your age group (Years 4-6). Any conversations like this will be deleted.

**Sign off** -- Sign off with your name and school. This helps everyone get to know you better and makes your post friendlier.

**Stay safe online** -- The Global Classroom is a safe community for Nord Anglia Education students. However, you still need to remember not to share personal online details. This includes Instagram, Facebook, Twitter, Skype or other personal accounts.

# The Big Challenge

## Make it Right

We are all born with human rights,  
but in some places around the world,  
these are **ignored**.

This is your chance to use your voice to  
defend the rights of children everywhere.

With help from Oxfam, you have the  
opportunity to create a project that makes  
a difference to the lives of those who need  
it.
