Year 4 Home Learning Menu – 14.03.19

Starters: Numeracy

🌶 Choose 3 numbers (1-9)– how many different number sentences can you make using addition and subtraction?

🌶🌶 Choose 4 numbers (1-9) how many different number sentences can you make using addition, subtraction, multiplication and division?

🌶🌶🌶 Choose 4 numbers (1-9) how many different number sentences can you make using addition, subtraction, multiplication and division? Can you use fractions and decimals?

Main Course – you **MUST** do these every week:

- Reading – 15,20 minutes at least 3 times per week.
- Spellings – 10 spellings in your spelling books to be tested on a Tuesday.
- Times Tables – your own times tables written in your communication book – tested on a Tuesday also.
- Mathletics
- Reading Eggs

- ☐ **Everyone must finish the main course every week. Work must be completed by Tuesday.**
- ☐ Dessert projects are optional. If you have completed it, you will be asked to present your work to your teachers and peers.
- ☐ If you are feeling *extra* hungry, you can order from the starters. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- ☐ Why not spend some time tackling some of the family side dishes? Time spent as a family is important and you can learn together whilst having fun.

Dessert-

Active Planet – Please bring into school week beginning – 24.3.19

If you would like to produce a Powerpoint, art, 3D sculpture, fact file, information sheet or anything else linked to our topic, we can share it with the class.

Sides: Family Fun

Numeracy – Angles

If you go out this week, count how many different angles you can find. Are they acute, obtuse or right angles?
