Co-Curricular Activities Booklet

Term 3, 2020-2021

Co-Curricular Activities (CCAs) are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which impact positively on many facets of their development, including academic progress.

Co-Curricular Activities (CCAs) are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which impact positively on many facets of their development, including academic progress.

In order to maximize the time we have left this year, the BIS Secondary Campus Term 3 CCA Programme will be launched on **Monday 10th May 2021** with an extensive range of CCAs to choose from each week. As we enter the final term of 2020-21, this is the perfect opportunity to try something new or different!

With club activities centering around the three key elements of creativity, activity and service, we encourage students to explore each of these areas by making a broad choice of clubs. There are again many musical options where students can express their creativity by joining the **Big Band, Rock Bands, the Chamber Orchestra, the Concert Band, Conducting Club, Brass or String Ensembles**, or one of the many **Choirs and Vocal Groups**. In addition the Music Department will continue with the popular **Music Technology Club** for those students interested in music recording, how to work on a DAW (Logic ProX) and mixing techniques, recording and microphone techniques, synthesis and sampling.

A fabulous new club is on offer for those who enjoy developing their creativity through the sciences; **Amazing Science Club** promotes the love of science and scientific language. Or, you may prefer the **Biology** or the **Science Experiment Club**. The **Creative Maths** club is available to maths enthusiasts especially those interested in events such as SEAMC. For the artistic, there is **Prop Making** and **Digital Art** or why not **Design and Make your own Mini-Golf Course** working with DT equipment. Another fabulous new club; **Create to Care** is for those who love art and would like to use their skills to create sellable pieces and handmade products to raise funds for one of our community partners.

The **Cross-Campus Student Leadership clubs** will continue, offering students the opportunity to lead weekly activities aimed at enriching the Junior Campus and Early Years & Infant Campus CCA programme, and for senior students to mentor their younger peers and gain IBDP CAS experience.

Whether you enjoy art, music, drama, sport, languages, solving mathematical or scientific problems, helping disadvantaged groups or simply having fun and playing board games, there should be a club available for you.

Paid Activities

In addition to a large selection of free sporting activities such as Recreational Tag Rugby, Basketball, Football and Swimming, there are a number of paid activities that students can sign up for including RSFA Football and Volleyball, PJ Tennis, Vertical Academy Rock Climbing, SheWill be Strong Self Defence and Cheerleading as well as many others. These are provided by external individuals and organisations and all information is available in the online activities booklet.

If a student has selected a paid activity, an email confirming their choice will be sent to both the student and their parents. **The payment deadline for all paid clubs is Friday 16th April 2021.**

Activity dates for Term 3, 2020-21:

Start: **Monday 10th May 2021**

End: **Sunday 13th June 2021**

CCAs may run before lessons and during lunchtimes, however, the majority are scheduled after lessons. There are two sessions each afternoon with a five-minute change-over period (2:50pm – 3:50pm and 3:55pm – 4:55pm). If activities finish beyond these times information is detailed in the booklet.

Note: Any students participating in CCAs from 3:55pm will need to arrange their own transport home and should consider this before selection.

The aims of our Co-Curricular activities (CCAs) at BIS, HCMC are:

- To provide a wide range of enjoyable and challenging experiences above and beyond the timetabled curriculum
- To allow competitive teams, drama companies and music ensembles to reach high standards of team/group and personal performance
- To provide opportunities for students to aspire to elements of the school's mission statement
- To continue to develop our involvement in community work
- To offer a balance of endeavour which provides the framework for the IBDP CAS Programme

CAS at BIS

Creativity, Activity and Service are woven throughout the Co-Curricular Activities. Originating from the International Baccalaureate Programme they set out to challenge our students to show initiative and perseverance as well as to develop skills such as collaboration, problem solving and decision making. For a balanced experience, we encourage students to take part in at least one of each of the three areas below:

- **Creativity:** The arts, music, languages and other experiences that involve creative thinking.
- **Activity:** Physical exertion contributing to a healthy lifestyle.
- **Service:** Any collaborative and reciprocal community engagement in response to an authentic need.

On-line CCA Selection – using CHQ

Activities need to be selected using the online CHQ system. Please see the next page for further instructions.

You will be able to see updates and changes to your approved activities through your on-line CHQ homepage. Both the student and their parents will also receive notification when accepted for participation in an CCA.

For the majority of CCAs, the online system (CHQ) will randomly allocate students to each CCA. As it is not a first come first served system, you may not always get your first choice activity.

There are some exceptions to this rule as detailed below:

Sports

If the number of students for any sports activity is greater than the maximum capacity, students will undergo a trial and be notified of this during their first session. This may mean that you could initially be accepted for the CCA but possibly removed after the trial.

The PE department will endeavour to run a parallel programme during the same session for the same age group but in the form of a recreational club. Therefore, if a student has a poor trial or significantly improves their skill level, then the squad coach will be able to assess the student and potentially accept them into the squad at a later time.

Please note that:

- As competitive Sport runs as seasons and not terms (Sep - Nov, Nov - Feb, Feb - May and then May-June), some of the clubs which have started in September will stop in November whilst others may start in November and span over into Term 2.

Drama

Please note that you are not able to join school productions this term as they have already been cast, but if you are interested in getting involved in Drama then please speak to your Drama teacher about other opportunities.

Wishing you all a wonderful third term.

Co-Curricular Activities Booklet

Term 3, 2020-2021

Monday 5th April at 5pm

Students will be able to sign up on CHQ (for Term 3 activities)

The activities booklet will be updated and available on the school website (link below)

<https://www.nordangliaeducation.com/our-schools/vietnam/ho-chi-minh-city/bis/our-students/clubs-and-activities/secondary-campus-clubs-and-activities>

Friday 9th April at 5pm

Selection on CHQ will close

Wednesday 14th April

Students and parents to be notified of their chosen CCAs on CHQ.

Notifications for paid clubs will also be sent.

CHQ has been set up for you to use on a daily basis to select and track all your chosen activities.

Please follow the instructions below to log on and select your desired activities/paid clubs:

To access the BIS CHQ portal please click on the following link:

<https://seasia.mychq.net/Login.aspx?Y2x1Yj0wMzky-tJBRd%2fDelyY%3d>

You can also access CHQ from a link on the school website (www.bisvietnam.com). Scroll down to the end of the main page to the "Useful Links" section.

Log in to CHQ using the same Windows account you use when logging in to your school computer/laptop. Your User Name and Password are the same as the ones used to log in at school e.g. "John.Smith" and your Password

Should you have any issues please contact tracey.brownrigg@bisvietnam.com

How to select your activities/paid clubs:

- **Step 1:** From the Home Page under **My Activities 2020-2021 Term 3** click **View/Manage/Submit Activity Choices**
- **Step 2:** For each activity/paid club add a different number e.g. Monday: Football club **add 1**, Wednesday: Board Games **add 2** then **3, 4, 5** etc. to all other clubs you would like to participate in.
The **SAVE** button will appear to the right of the activity list click **SAVE**
- **Step 3:** Once you're happy with your choices you **MUST** press the **SUBMIT** button at the top of the page. You will receive an automated email confirming your club preferences.
- **Step 4:** To cancel a selection after submitting add a **0** to the desired box then save and submit
- **Step 5:** From the Home Page **My Activities 2020-2021 Term 3** you will be able to see which clubs you have been accepted into/denied from by Monday 4th January 2021. If you click onto **My Schedule** for week beginning Monday 10th May 2021, you can check your weekly club timetable.

Try to make sure you have a range of activities which allow you to develop physically, creatively as well as socially.

Season Sports Information

The PE and Sport programmes at BIS are structured to fit with the seasons of the SISAC competitions and are therefore not offered as termly activities.

This allows double training sessions throughout the week for our competitive teams and stops the dead-time experienced with students not attending clubs after the City Championships have finished.

When in the off season, we still provide one training session per week to prepare for the upcoming season in that sport. In that sports season, we expect people who are serious about playing in the school teams to attend both training sessions in the week.
