343

children aged between 5 and 11 (Years 1 to 6) participated in this survey.

# 93%

of our students like coming to school. We believe that this is down to our overarching aim of 'creating a lifelong love of learning' within students, applying the core values of responsibility, commitment, respect and integrity.

Students at The British School of Guangzhou represent over fifty nationalities and speak a myriad of languages. As part of our promise to deliver high academic success, we find it imperative to voice the views of our students. Since the completion of this survey, focus groups of students, teachers and administrative staff have been set up to review the results. This is part of our promise to continue delivering world class education.
