

Year 5 Home Learning Menu 18-03-18

Starters: Science

Go into the garden and see what different plants you can see.

Write the different ways seeds can disperse.

Explain which animals are the best seed dispersers.

Draw a detailed drawing of seed dispersal.

Main Course – you **MUST** do these every week:

- Read for 15 minutes - 5 times per week
- Learning weekly spellings
- Times table practise
- 15 minutes on Mathletics/Reading Eggs – 3 times per week
- Numeracy – Worksheet
- 1 x Literacy Activity Sheet

- Everyone **must** finish the main course every week. Work must be completed in your Home Learning books and returned to school on Wednesday of each week.
- Everyone **must** attempt one, or both, of the project deserts. You will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. These will focus on a different subject each week. Each dish has a difficulty rating. The more chillies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes. Time spent as a family is important and you can learn together whilst having fun.

Dessert: Project to be completed by 28 March!

- Make a futuristic vehicle out of recycled materials.
- Plant and grow a tomato plant (or change to another plant).

Sides: Family Fun

- Perform a talent in front of your family.
- Do a good deed.
- Help with the cooking.
