

This Week in F1 1/06/2017

A look back at this week...

The children have been building their own spaceships.

Reminders

We are still having our splash pool sessions every day except Tuesdays.

Please provide a large bottle of water for your child each day, as it is extremely hot and little children need to stay hydrated.

The Foundation 1 and 2 Graduation will take place on Thursday the 8th of June, 2017 at 8:30am to 9:00am. Foundation 1 children should be smartly dressed.

At home:

Talk about the solar system. Look at the planets and encourage your child to ask questions about what he or she sees.

We have been listening to this song in class. The children have thoroughly enjoyed it.

The following week we will be:

- Reading “Aliens Love Underpants” (please type in “Aliens Love underpants” on You Tube and scroll down to the Buzzing books version)
- Patterns
- Counting beyond 10.
- About using technology.
- Continue to use the Beebot’s
- Creative activities to do with space

Top Tip!

Continue to discuss with your child their move to Foundation 2. Transition preparation takes time. Some children are able to adapt easily while other children find it difficult to adjust to the unfamiliar. There are some helpful tips on transition in this article below. Although not all information is relevant there are some helpful tips.
