

ST. ANDREWS

International School Bangkok

A NORD ANGLIA EDUCATION SCHOOL

"Our mission is to provide an inclusive, international education in a safe, happy, supportive and stimulating environment where all the needs of the individual learner are met. Students are inspired to be the best they can be, enabling them to become responsible global citizens."

Psychology Teacher/Head of Psychology

Psychology is a popular and well-established subject at St. Andrews and we are looking for an experienced teacher to join the team. Class sizes are small and the students are motivated and enthusiastic, enjoying a lively approach to the subject through a wide range of teaching and learning techniques. The ideal candidate will convey enthusiasm for the subject and contribute collaboratively in the continued development of the curriculum from Year 10 to Year 13. August 2017 will be a very exciting time to join St Andrews, as we open our new 11-18 Campus. The position of Head of Psychology may be available to a suitably experienced candidate.

All students study both Geography and History in Key Stage 3, following schemes of work based on the English National Curriculum, but adapted to reflect both our location in South East Asia and the international nature of our students. Humanities subjects are very popular both at IGCSE and IB, with many students choosing more than one from Business Studies, Economics, Geography, History and Psychology. In Key Stage 5, all students must study at least one of these Humanities subjects in the IB Diploma Programme. Psychology is a popular subject at both IGCSE and IB, and previous experience teaching these courses would be a significant advantage, as would experience of teaching Geography and/or History at Key Stage 3 and/or the ability to contribute to the teaching of one of these other Humanities subjects.

At St Andrews, we pride ourselves on being an inclusive school, and have an excellent reputation for supporting children with special educational needs. Experience of teaching children with dyslexia, mild autism, ADHD etc. would be very good prior experience for a teacher wishing to join our team. Our Mission Statement commits us to meeting 'all the needs of the individual learner', and this applies equally to those students targeting the very highest grades at IGCSE and IB.

All Humanities classrooms have data projectors, interactive whiteboards and access to the internet, and there is a strong commitment to integrating the teaching and use of ICT skills into all areas of the curriculum, where appropriate, with laptop carts, iPads and ICT labs bookable when required. As well as their teaching, all teachers are also expected to contribute positively to both the school's pastoral systems and the extra-curricular programme, offering an Extra-Curricular Activity that either supports or extends the students' learning in their subject area, or from another area of personal interest.

If you would like to apply for a position at our school please complete the application process through Jobtrain, accessible via the [Nord Anglia Education website](http://www.nordangliaeducation.com). If you require any further information, please email recruitment@standrews.ac.th. The closing date for applications is Friday 2nd December 2016. If you require any further information, please email recruitment@standrews.ac.th.
