

NORD ANGLIA EDUCATION

Be Ambitious

Connecting students worldwide through *Global Campus*

Mr. Mark Thomas SCHOOL PRINCIPAL

While staff retention has been above average this year, it is important to note that we are saying goodbye to some of our most influential members of staff. Iain Ruck (Vice Principal), Kathy Weir-Davis (Head of Early Years) and Aidan Edmanson (Deputy Head of Secondary) have contributed a total of 24 years of service to BSG. I am sure that parents, staff and students you will join me thanking them for their impressive commitment and wish them all the best for their future careers.

Iain Ruck joined our school 8 years ago, as Deputy Head of Secondary. Jain served in this position for 2 years before taking over the Head of Secondary role where he oversaw 4 years of graduating students. Over the last 2 years, lain has held the role of Vice Principal and has overseen our school improvement plan and curriculum development across all phases. Jain will be replaced internally by Garry Russell, our current Head of Secondary. Garry's successor is currently Head of Secondary in one of the NAE schools in Qatar and before this was Deputy Head at Regents School in Thailand.

Interestingly, Kathy Weir-Davis was my first appointment to BSG when I joined in 2008 and has led our Early Years department for 10 years. Kathy and her family will be moving to Shanghai and will be replaced by Danielle McKenna who joins us from the Nord Anglia school in Beijing, where she is a part of the leadership team at the Sanlitun school.

Iain and Kathy are also key members of our Senior Leadership Team and have helped to define the vision and values that have underpinned the success of our school. I really cannot thank them enough for their impressive contribution to our school or for the support they have given me as colleagues and friends.

Aidan Edmanson, is another key member who has played such an instrumental part in the development of our Secondary school. Aidan is moving to the Nord Anglia school in Kuala Lumpur and we wish Aidan and his wife Amanda Boby the very best in their new positions and will look forward to hearing of their successes. Aidan will be replaced by Sarah Wadsworth an experienced Deputy Head who joins us from a successful international school in Egypt.

We also say goodbye to Andy Dean who has dedicated himself to developing our sports programme over the last 4 years. Andy is moving to another Director of Sport role in NAE's school in Yangon and I am sure he will make an immediate impact on their sports programme. Andy will be replaced internally by Michelle Cummins who will continue to promote sporting opportunities for our students.

As well as saying goodbye to key members of staff I would like to recognise the exceptional first year of Chris Wathern, our Head of Primary. Chris joined us from a relatively small school in the UK and has adapted remarkable well to lead a team of over 40 teachers, who deliver an impressive curriculum to our Primary students. Chris and Selina, his wife, deserve a relaxing summer break.

The British School has come a long way since it was founded in 2005 and is now considered by many to be the number one international school in Guangzhou. We remain committed to making year on year improvements to facilities as we continue to work towards our stated goal of becoming the number one international school in China. I am proud to announce that in August we will open a new building that will provide our Year 1 students with dedicated facilities. This building represents another important step in providing our students with excellent educational opportunities.

As I write this article I am aware that one of our graduating students has received an unconditional offer from Chicago, one of the world's top 5 universities, and that another graduate has been offered a conditional place at Oxford University. Amongst this year's graduates are 6 students who are in their 7th or 8th year, while, Lynn Ma and Bianca Chainani are completing their 9th year. Unbelievably Bethany is now in her 10th year, and has been a credit to our school throughout this time. We wish all our graduating students the best of luck in achieving positions at their first-choice universities and will look forward to hearing news of their examination results during the summer holidays.

I would like to wish all parents and staff a relaxing and safe summer holiday, wherever you are travelling. I will be spending part of the summer holiday attending the wedding of my son Christopher who will be marrying Miss Barbara, one of our Y2 teachers. As you can imagine I am absolutely thrilled for them both and am very much looking forward to this event. I will return to Guangzhou in August in time to welcome our new teachers for their induction programme, on 7th August. We will look forward to seeing new students on Friday 17th August for their orientation day and to seeing all other students on Monday 20th August for the start of the new term.

"BSG is now considered by many to be the number one international school in Guangzhou."

Mr. Iain Ruck **VICE PRINCIPAL**

Dear Parents,

2017-18 has been another exciting year at the British School of Guangzhou and, as ever, it has been a pleasure to see our students achieving in so many different areas and in so many different ways. I have been particularly impressed by how our students have been availing themselves of opportunities provided by the continued growth in our student enrichment programmes.

This year saw an increased celebration of music, with regular Buskers' Corners and a music awards evening. Our curriculum continues to be enriched through our collaboration with Juilliard, and we have had visits, performances and workshops run by Juilliard Alumni.

The PE department hosted the first NAE football tournament, and this programme is set to grow in 2018/19, continuing to provide opportunities on top of our association with FOBISIA, ACAMIS and GISAC. This year, through the sterling efforts of Mr. Dean, we have extended the competitive opportunities for Primary students, as well as extending our participation in Under 19 sports events. This is will be extended further next year with the launch of our exciting BSG Academy!

Student leadership continues to be a strength of the school, and it's great to see the Head students taking an even more active role in the running of the school, and a more proactive Primary Student Council.

On a personal note, this is my last year at The British School of Guangzhou and I would like to finish with a heartfelt thanks to all of our community. During my time at the school, I have had the absolute pleasure of working with a professional group of committed and talented teachers that have constantly sought to offer our students a rich and varied set of learning experiences, within and outside the classroom. I have had the pleasure of teaching students with a passion for learning, who constantly strive to achieve their very best, and a parent body that support and help to reinforce the school's core values. The British School of Guangzhou will always have a very special place in my heart and I would like to thank all of our community for this.

"I have had the pleasure of teaching students who constantly strive to achieve their very best."

Primary Teaching Assistants

Admin Staff

Ayis & Security Staff

Thank you to everyone for making 2017/18 another fantastic year at The British School of Guangzhou!

Mrs. Katherine Weir-Davis **HEAD OF EARLY YEARS**

Writing a message for the Yearbook is a small part of my role as Head of Early Years, and over the past ten years, I have always enjoyed expressing how proud I am of our students, staff and school. This year, however, is slightly different because in July I will be moving on to a new position in another part of China.

When I arrived in Guangzhou in 2008, the British School of Guangzhou was a mere 180 students, ranging from Pre-Nursery to Year 6, all based at the Lakefront Campus. The School had just acquired the Nanhu Campus and Years 3-6 were to move into the new Nanhu site, leaving Pre-Nursery to Year 2 at Lakefront. It quickly became apparent how well the reputation of our school was growing within the Guangzhou community, and being part of the School Management Team, I realised that we needed to make strategic plans for rapid growth whilst continually striving to provide a world class education and upholding our year on year high academic standards and successes.

Within a few years, the capacity of the Nanhu campus had expanded to allow us to transfer KS1 to the main site, leaving the Lakefront Campus as a dedicated Early Years unit. From this point, the Early Years teaching team really came into their element and began the process of developing a facility that was welcoming, stimulating, attractive, yet ageappropriately challenging for the youngest of our BSG students. It was due to the hard work and commitment of the Early Years team that has resulted in the school we have today.

On a daily basis, I receive some form of positive feedback from a variety of stakeholders across our community. Whether it be a prospective family, a teacher visiting from another school, a representative from the Local Education Department, a member of staff from a different department within our school, a parent, a student, a teacher, an ayi the list is endless. What consistently comes through is how impressed they are with their first impressions of our Early Years. The provision and opportunities we are able to offer our children, the welcome they receive from all staff when they enter and walk around the school, the polite, well-presented and impeccably behaved children, the high levels of engagement and strong relationships between staff and students, and above all, the very evident culture of respect and well-being that we nurture within our students.

All of the above, and more, makes me so proud to have been part of a school that has such strong core values of respect, commitment, integrity and responsibility, resulting in every member of the school being dedicated to developing a lifelong love of learning in every single student and making it the outstanding school it is today.

I feel confident that the successes BSG has experienced to date and the quality of your child's education will continue to improve with each and every year under the new leadership of Mrs. Danielle McKenna, the continued care and guidance of the high caliber of teachers, supportive leadership teams and overall leadership of our Principal Mr. Mark Thomas, who in my opinion, is the most outstanding leader I could ever have had the privilege of learning from and working alongside.

Quite simply, BSG is the best school I have ever had the pleasure of working at, the best school I could have provided for my own children's educational experience and the most welcoming community for my family. It has the best teachers, teaching assistants and administration staff to work alongside, the best students and most supportive parents...and for these reasons, leaving after ten amazing years will be very sad indeed.

I look forward to reading about the continued success of The British School of Guangzhou in the future, and despite my heavy heart, I will be taking with me ten years of wonderful memories!

"Quite simply, BSG is the best school I have ever had the pleasure of working at."

Mrs. Katherine Weir-Davis **PLAYGROUP LEADER**

Ten years ago, when I first arrived at BSG, Playgroup did not exist. With the help of a parent volunteer we set up a meeting place for families to bring their little ones to play together once a week. Starting a small gathering of four families, ten years on and this small gathering blossomed into a hugely successful Playgroup, which has welcomed 1,000+ families over the past ten years.

Now in its tenth year, Playgroup continues to be an incredibly valuable resource for expatriate families looking for a safe stimulating place for their children to explore, play and develop. Playgroup also gives parents a unique opportunity to meet other families from the community with whom they can advice or simply share experiences with, ultimately offering crucial social network.

Playgroup takes place in our Indoor Activity Room at our Early Years campus, which is fully air-conditioned and heated with air purifiers to ensure the highest air quality possible. Complete with ball pool, role play areas, soft play area specifically for under twos, climbing frames, slides, cars, trikes, and many other stimulating resources for little ones it is the ideal place for a fun and developmentally challenging experience.

The Coffee Shop that is attached to the Activity Room is of course the crowning glory for parents, with windows looking directly into the Activity Room, where better to relax with an invigorating cup of coffee and a delicious snack whilst being able to keep an eye on your little ones!

We welcome children of all ages, so if you have a new born baby to pre-school aged, please do feel free to join us. BSG Playgroup is free and takes place every Thursday (excluding school holidays) between 9:30-11:30am. Please note that upon your first visit you should bring your child's international passport for registration. There is no need to book a place, you can just come along and join in the fun!

In addition to our Playgroup, we also offer an exclusive music class led by our Early Years Music Specialist. Further details can be obtained once you register your child at their first visit to Playgroup.

the more the merrier!

The Activity Room and Coffee Shop are also available for party bookings in the evenings or at weekends - a great place to have your child's birthday party!

If you would like further details about the Playgroup or party bookings please do not hesitate to contact Miss Gaby (Early Years Academic Secretary) at Gabrielle@bsg.org.cn or send an email to playgroup@bsg.org.cn

Courtesy of Mr. Raimundo Maia Junior, Playgroup Parent

Please note that the Playgroup is not exclusively for BSG families, our doors are open to the wider community -

"Playgroup has welcomed 1,000+ families over the past 10 years."

Chinese New Year

Book Week

Mr. Chris Wathern HEAD OF PRIMARY SCHOOL

It's hard to believe I'm writing my first Yearbook message already. My first year at BSG has certainly flown by. Leaving the UK last August was never going to be easy but my family and I were soon put at ease by the wonderful community here at BSG. The commitment and compassion shown by everyone involved with our school is quite unique. I'm not surprised BSG remains the number one choice for many families in Guangzhou. I want to say thank you to everyone for making my family and I so welcome; our first year in China has certainly been very exciting and memorable.

Creating lifelong memories and experiences is certainly one aspect of life here at BSG. You only need to look at the calendar to see just how much goes on. Whether it's trips, sporting fixtures, class assemblies, residentials, musical productions, exhibitions, charity events, PPSG events, competitions, FOBISIA,

recitals, parent workshops, Book Week, MIT events, Juilliard visitors, PTCs or end learning goals - there is so much to enthuse and inspire our students. Many of these experiences aren't simply added to the daily curriculum. Our very committed and inspiring staff are able to weave many of these opportunities into their fantastic day-to-day teaching.

I feel very lucky to be working with such an amazing group of staff. I remember during my interview visit last year being struck by the passion and dedication of everyone here. One thing has become very clear during my time at BSG – it's a very special team with everyone working towards creating a life-long love of learning, whatever their role. We say goodbye to several of our teachers this year, many of whom are moving to other Nord Anglia schools around the world. Wherever you may be heading, I want to wish you the very best and thank you for your invaluable contribution to our school.

Our students are the 'heartbeat' of the school, bringing such energy and commitment; it's an honour to be part of their lives. Working with young enquiring minds is both a privilege and a huge responsibility. I am very proud to serve as Head of Primary and never forget the role we all have in ensuring our students are more than prepared for the next stage of their learning journey. I'm always impressed with the way our students soak up every opportunity given to them as well as creating their own, whether in positions of responsibility or taking ownership of their learning.

To all our students moving on, whether to Secondary or elsewhere in the world, I hope you take many memories with you from BSG. Be yourselves because you all have amazing qualities. Be confident because you've shown us all how each and every one of you is capable of achievement. Finally, keep yourselves safe and happy so that we can look forward to the many contributions we know you will bring to our exciting and changing world.

"The commitment and compassion shown by everyone involved with our school is quite unique."

Junior ALPS

Mr. Samuel Ryan, Ching Lok (Jay) Lin, Eason Yao, Tak Lam (Linda) Li, Won Hyuk (Jason) Choi, Minjun Cheon

Mr. Garry Russell HEAD OF SECONDARY SCHOOL

It is with some sadness, as well as huge pride, that I get to write my last Yearbook introduction as the Head of Secondary. As I move in to the Vice Principal role next year, it is amazing how quickly the last two years have gone. The days and months fly by, whilst the fabulous memories keep piling up. There is a magic that weaves its way through the Secondary School, and the students and staff are the magicians, constantly going above and beyond any reasonable expectations.

This year's highlights are, as always, too numerous to mention in their entirety.

The Secondary School Production is always a focus of the year and Team Grease certainly put on a great show. Following Sweeney Todd was never going to be easy but the performances showed what can be achieved when mass participation (over 100 students and staff) pulls together under the direction of Mrs Hughes. It was a festival of sound, light and costume, and a celebration of what it means to be a teenager. China Week will be a highlight for many as we celebrated the culture, language and enterprise of the wonderful country in which we all live. There was also a competitive edge as each phase of the school performed their own Dragon Dance with the Secondary Dragon putting in a fine effort, only to be beaten by Year 4!

One of my personal highlights this year has been the success of the ALPS programme, which has flourished under the direction of Ms Chainani. This group of determined young people have shown what can be accomplished when commitment and opportunity meet. It has also been a year where our older students have excelled in their studies with record-breaking university offers from four continents. Driven by Mr Hallas and our excellent 6th Form teachers and tutors, the students have been very well supported and we are hopeful of excellent examination results this summer.

The students, of course, are always the best people to ask when reviewing the year. From our recent student survey we were told: 'I love coming to school every single day'; 'BSG is an amazing school' and 'The school just gets better and better'. However, we also received a fair amount of advice and suggestions, including 'I'd give it 7/10 – pretty good but room for improvement'!

I must wish good luck to those students and staff that are leaving us. The end of the year is always bittersweet as everyone plays their part at BSG and to say goodbye can feel like losing a member of the family. However, change is the only constant and I have no doubt our leavers will take BSG with them and be great ambassadors for the school. I must personally thank Iain Ruck who has been a long-serving member of the BSG community, and did such a good job in setting up the Secondary School. I must also say good luck to Aidan Edmanson, who as Deputy Head, has been key to the success of the Secondary School and has been a great personal support to myself. Equally, we are excited about those who will be joining us in August. As the school continues to grow, so do the

opportunities that we are able to provide to our staff and students.

Finally, I must say thank you to my staff. They are a wonderful group of professionals who are a pleasure to work with and for. I have no doubt they will continue to excel and support the new Head of Secondary in August. The future is very bright and I am certainly looking forward to being a part of it.

Best wishes.

Garry Russell

Mein Name ist Klaus and ich bir stepen Jahre alt. Ich habe eine Schwester und sie ist stepen ervig; sie ist fünf Jahre alt aber sie ist ziernlich sympathisch. Mein jüngerer Bruder ist zwei Jahre alt und er ist sehr lustig. Sie haben blonde Haare Meine Mutter ist ziemlich klein aber sie ist sehr schon; sie hat blonde und lange Haare Ibre Argen son grau and blau. Mein Vater ist sehr erols und stark und ist extrem sportlich aber ziemlich ernst. Er hat blonde Haare und blau Argen YEAR OF THE DOG

Los problemas medicambientales en China son nuclos. Hay la contaminación del usire y demosido fábricas producen mucha contaminación. Hay mucho coches y gonte, también los coches producer, contaminación y las gente malgastron electricidad y agua

Bura cumplir el sueño Chino, debortamos reducir el número de las fábrias y coches. Debortamos reutstitar las bolsas de plástico y también pondriamos, reciclar vidrios y papeles para reducir la basura. Debortamos plantar muchos árboles y comprar productis ecológicos. Pondiriamos comprar los coches elébricos o usar más bicicletus. El gobierno deborta construir espacios veroles. Debortamos consumir menos energía y pondríamos ahornor energía. No debortamos tirar la basua por el suelo.

Succeeding in the 21st century means learning how to think, not what to think. Nord Anglia Education's collaboration with Massachusetts Institute of Technology (MIT) is designed to prepare students for our rapidly evolving world, equipping them with the skills and techniques to thrive. Through hands-on, interdisciplinary learning of STEAM subjects (science, technology, engineering, art and maths), your child will develop the transferrable skills needed to invent the future they will ultimately inherit.

Helping your child invent the future
