

# Year 6 Home Learning Menu

17/1/19

## Starters: Tables

Use Splat Square online to look at patterns in your times tables.

Write an explanation of why learning your three-times table helps you learn your six- and nine-times tables.

Practise your 30 and 300 times tables.

Practise your 0.6 and 0.06 times tables.

**Main Course** – you **MUST** do these every week:

- Reading- DEAR TIME 😊
- Spellings- Look, say, cover, check your spelling words for your weekly test.
- Times Tables- Visit Hit the Button to practise.
- Mathletics
- Reading Eggs

## Extreme Survivors Exit Point Invitation:

Thank you so much to everyone who came to our Exit Point celebration yesterday. Our Year 6s made themselves and us very proud!

- Everyone **must** finish the main course every week. Work must be completed by Tuesday.
- Dessert projects are optional. If you have completed it, you will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes? Time spent as a family is important and you can learn together whilst having fun.

**Dessert:** You **must** do this project.

**Your project is due on Thursday, 7<sup>th</sup> February 2019.**

Watch these videos:

1. Migration- Why do people migrate? (By Geography Online (Link: <https://www.youtube.com/watch?v=54xM8VlgP7s> )
  2. Migrations: Big Animal Trips / Science for Kids (Link: <https://www.youtube.com/watch?v=hMAS4SdPj-w> )
- Make a creative poster about one of the videos and bring it to class to share with your teacher.
  - Do a research project about a migratory animal.

## Sides: Family Fun

Watch a nature programme about animal migration with your family.

Have a family meeting at home.

1. Create your own family agenda.
2. Use compliments and appreciations.
3. Solutions are respectful, relates, reasonable and helpful.
