RE: (I)GCSE OPTIONS EVENING TUESDAY 24 FEBRUARY

Dear Parents/Guardians,

When our next academic year begins your son or daughter will start the two year (I)GCSE programme which culminates in formal (I)GCSE examinations and recognised qualifications at the end of Year 11. Your son or daughter is required to make choices about the subjects he or she will study and will benefit from guidance from both parents and teachers in this important decision making process.

Our (I)GCSE Options Evening is designed for parents and students to learn about the choices available, ask questions and discuss individual cases with Heads of Faculties and teachers. The choices your son or daughter makes in Year 9 will begin to shape their career path, so gathering as much information as possible before making these decisions is extremely important.

To help your son or daughter with these important decisions about his or her future education we hope very much that you will be able to attend.

Date: Tuesday 24 February
Time: 6:30pm-8:00pm
Venue: Auditorium

To help us plan, please sign the form below to confirm your attendance and return it to the Secondary school reception by Wednesday 11 February.

I look forward to meeting you at the event.

Best wishes,

Paul Kelly
Head Key Stage 4

REPLY SLIP: (I)GCSE OPTIONS EVENING 24 FEBRUARY

Please return to the Secondary Reception by Wednesday 11 February 2015

Student Name _____ Form _____

Delete as appropriate.

I will attend/am unable to attend the (I)GCSE Options Evening with my son or daughter on Tuesday 24 February.

Name Parent/Guardian _____ Signed _____
