

Our university-bound students from the class of 2018

ERIC CHEN
Nord Anglia International School Shanghai, Pudong

Eric was one of seven standout students in 2018 who achieved the perfect score of 45 points for his IB Diploma. In preparation, he read major works by philosophers such as Bentham, Mill and Kant, and will study Philosophy, Politics and Economics at The London School of Economics.

CLARISSA BARQUIST
Windermere Preparatory School

Clarissa is an IB Diploma recipient with a total score of 34. She has been offered a place at California's Stanford University, one of the most prestigious universities in the United States, and plans to study pre-law.

YASH KUMAR
The British School Warsaw

Yash's love of biology led him to write an extended essay on how natural and manufactured anti-fungal agents might be used to treat the root cause of athlete's foot. Before being accepted to Oxford, he acted as both organiser and delegate at his school's Model United Nations conference and co-founded the school's Debate Club.

MILA ALSERDA
La Côte International School Aubonne

Mila has been admitted to the highly prestigious École Hôtelière de Lausanne in Switzerland after achieving exceptional results in her IB Diploma.

About us

Nord Anglia Education is the world's leading premium schools organisation, with campuses located across 27 countries in the Americas, Europe, China, Southeast Asia and the Middle East. Together, our 56 schools educate more than 53,000 students from kindergarten through to the end of secondary / high school.

We are driven by one unifying philosophy: we are ambitious for our schools, students, teachers, staff and communities, and we inspire every child who attends a Nord Anglia Education school to achieve more than they ever imagined possible.

Every parent wants the best for their child — so do we. Nord Anglia Education schools deliver high quality, transformational education and ensure excellent academic outcomes by going beyond traditional learning.

Our global scale enables us to recruit and retain world-leading teachers and to offer unforgettable experiences through global and regional events, while our engaging learning environments ensure all of our students love coming to school.

2017/18
*Academic
Results*

Every parent wants the *best* for their child. So do we.

Nord Anglia Education has leading premium schools around the world, offering high quality and transformative learning opportunities for your child.

Students, aged from three years to 18, are supported to progress and achieve beyond expectations at every stage of their development, with our globally respected curricula enabling them to deliver excellent academic outcomes.

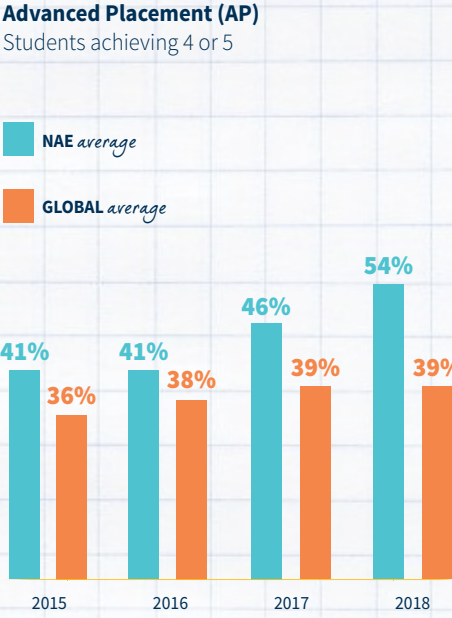

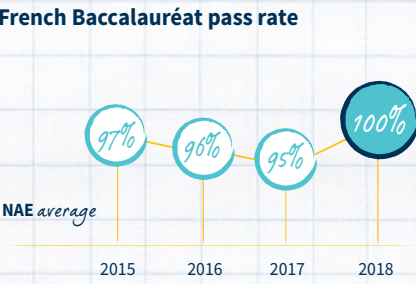

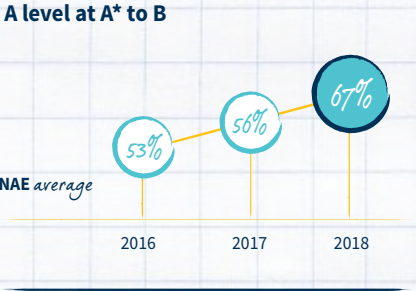

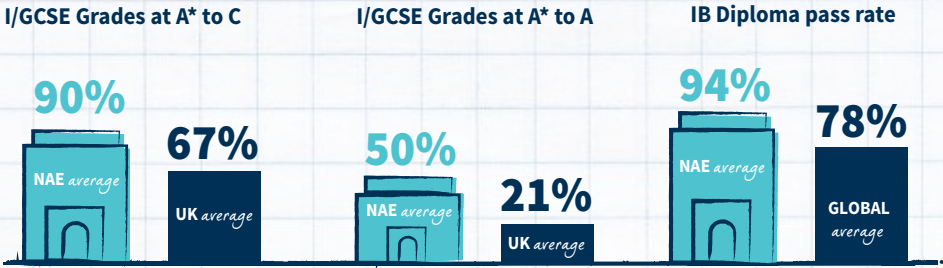

We are proud that year-on-year our students continue to achieve academic results that exceed national and global averages. We think beyond traditional education to transform learning. Our wide range of programmes and outstanding facilities support learning and allow our students to develop transferrable skills needed for life after school. Our mission to educate your child for the future is enhanced by our collaborations with the world's best organisations including MIT, Juilliard and UNICEF. By nurturing success our graduates go on to attend leading universities around the world, creating pathways to diverse and impressive careers.

When combined with our Be Ambitious philosophy, our approach of personalised learning and world-leading teaching leads to academic, personal and social success for students at every age.

2017-18 ACADEMIC RESULTS

In the last seven years, our rate of academic improvement has exceeded global averages, widening the gap between our schools and others teaching the I/GCSE, IB Diploma and other internationally respected curricula. In the 2017/18 academic year, we saw our most outstanding results in the history of Nord Anglia Education.

Alumni and university destinations

Already this year, 94 per cent of Nord Anglia's graduating class have taken up places at leading universities in countries around the world. Others who have decided not to go to university have chosen to take a gap year to explore the world, start their careers through internships or employment, or learn new skills through other training.

23% of this year's alumni have accepted offers at one of the world's top 50 universities.
