INTERNATIONAL DAY

Dear Parents,

Following on from the success of last year's International Fair, we are pleased to share with you our plans for this year. Our International Fair will be held on Thursday 15 November and we, the PTFA (Parent, Teacher and Friends' Association) along with the school would like to invite parents to be involved in the day. It will be held from 7.30 AM until approximately 11.00 AM and will kick off with a whole school parade around the school grounds. We would like each child to come to school wearing colours from your home country or national dress. We'd also like to see them waving a home country flag. Please can you either print one off on an A4 sheet of paper (strictly no larger than this please) or get your child to draw one. Each flag should be attached to a stick no longer than 30cm long (standard ruler length).

We would like this to be a family event which aims to bring our community together by celebrating where everyone in the school originates from. Our ambition is for each nationality to have a table/s which represents the country with interesting information and food. We would really like to ask for your help with this by assisting your child/children to gather information, artefacts and anything that would bring the table to life. If you are willing to produce a dish or plate of food that is a taster from your country, please indicate this in the reply slip below. If you are willing to come into the school from 7.30am for a few hours to help with your country's table, please also indicate this. There is a tick list on the reply slip for you to indicate the areas you would be willing to help with and we would be grateful if you could return this to your child's Class Teacher/Form Tutor by Tuesday 2 October. Once we have this information we will map out a programme for the day with exact requirements.

We very much look forward to you helping us celebrate International Day!

Yours faithfully,
Dave Pontich on behalf of Parent, Teacher, Friends' Association.
