RE: YEAR 4 VISIT TO SHANGHAI AUTO MUSEUM, THURSDAY 20 NOVEMBER

Dear Parents/Guardians,

Year 4 will be going on an exciting educational visit to the Shanghai Auto Museum. This visit is linked to our Themed Learning focus on Inventions that Changed the World. It will be a great opportunity for children to further develop their awareness and understanding of how inventions change over time due to technological, financial and social factors.

- This visit will take place on Thursday 20 November.
- We will be leaving school at approximately 9:15am and returning to school in the afternoon in time for the usual end of day arrangements. We will travel by school bus and ensure that children are wearing seat belts.
- Students who normally have school lunch will be provided with a packed lunch on the day. All other students will need to provide their own lunch. You may pack an additional drink and small healthy (nut-free) snack should you wish to.
- Students will be required to wear uniform as normal on the day, but should wear comfortable walking shoes and a jacket.
- We would like two parent volunteers from each class to support us on this day. Please let your child class teacher know if you would like to volunteer.

We will ensure that children are closely supervised at all times so they can be safe and have lots of fun learning. If you have any questions about this educational visit, please do not hesitate to contact me at n-jones@bisspuxi.com

Yours faithfully,

Nick Jones
Head of Year 4
