- Why not spend some time tackling some of the family side dishes? Time spent as a family is important and you can learn together whilst having fun.

Dessert: Adventurers and Explorers

Build or make something linked to our topic. It could be a new mountain or volcano, a new river or sea. It could be a new species of animal that has been discovered.

Sides: Family Fun – (link to sound in science)

Keep a sound diary and write down the different sounds you hear in different places that you visit during the weekend.
