A message from the Year Leader

It's all go here at NAIS this week, with iPads and Project Week everyone is busy.

The last of the fundraising takes place this week with a healthy food stall at the ACAMIS tournament being held at school. The students have been creative with the healthy label and have planned a range of delicious and nutritious snacks to be sold to the athletes involved in the tournament, as well as our own students. We are currently about 3500RMB short of our target of 12000RMB so we are hoping for a successful day of trade. Just a quick thank you to all the parents who have supported the fundraising campaign by either providing stock or baking cakes to be sold at school. I'm sure the benefits will be felt by the children at The Bright Connection Centre.

There were also exciting times on Tuesday during Guidance when the students received their much awaited and longed for iPads. Their tutors went through the expectations and the students were reminded of the educational purpose of the iPads. They will be busy over the next few days downloading the recommended apps and logging on to the school network.

As the students plan and prepare to jet off to the sunny climates of Sanya we are being faced with dropping temperatures here in Shanghai. As Autumn begins to disappear into winter we see the move away from Summer uniform. So from 9th of November it is expected that all students switch to winter uniform.

All that's left to say is for the students to have a fantastic and adventurous week away and for parents to enjoy the peace and quiet while the children enjoy the surf, sea and service in Sanya. Have a lovely weekend.

Congratulations

Congratulations to Vanessa Oyuchi who made up part of the winning SISAC Netball team who were victorious at the weekend. We wish the team and their coach Miss Sparkes good luck in the ACAMIS tournament this weekend.

Congratulations to the C1 football team which continues their 100% record. Results so far include the 7-1 thrashing of YCIS, the 4-2 destruction of Dulwich and the 5-2 beating of SCIS. Mr Dawson is really proud of how the boys are playing, the commitment they show, and the attitude they have. The boys are hoping to go the whole season with a 100% record. Hold the back page and we will see by December.
