

Security Information

Dear Parents and Caregivers,

In order to ensure the safety of all students at Northbridge, NO adult will be allowed on the property unless they have a school ID. Please apply for an ID for all of your nannies and drivers by filling out the form below and submitting it to the school of Office along with the relevant documentation. We will then print an ID and send it home with your child within a few days.

We appreciate your help with keeping Northbridge safe.
