Look after the world. It's in our hands

DOVER COURT INTERNATIONAL SCHOOL
GLOBAL CONCERNS, 2015

Fundamental to Dover Court's Philosophy is the belief that we are educating Global Citizens to understand that positive action is required to help those in need, make a difference and bring lasting change to the lives of people less fortunate than themselves. We aim to help students develop the values, knowledge, understanding, skills and lasting personal qualities of compassion, empathy and benevolence needed for them to make an ongoing contribution to society both locally and globally and in so doing help to create an equitable and sustainable world.

During 2014, thanks to the cooperation and generosity of students, staff and parents, working collaboratively, we were able to offer support to underprivileged people in India, Africa, Cambodia and the Philippines, in addition to making our regular contributions to I-INDIA, ORBIS, ACTION AID, RDA and Homes for Senior Citizens in Singapore.

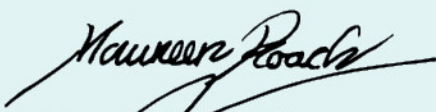

The proceeds from this calendar will go towards ensuring that several children receive the gift of sight this Christmas through the work of ORBIS, the flying eye hospital which has revolutionized eye care in many countries.

Your donation will help ORBIS continue its mission of operating on cataracts, training local doctors and nurses, providing post-operative medication, and ultimately realizing its goal of a world where no one is needlessly blind.

Thank you for your generosity in supporting this worthy cause.

What better present could you give to a child at Christmas than the gift of sight?

“ GIVE LIGHT & THE DARKNESS WILL DISAPPEAR OF ITSELF ”
